LOCALS.

Cleve Gentzel, of Spring Mills, is now numbered among the papas.

The new postmaster at Madisonburg is John F. Miller. He is successor to Mr. Hazel, deceased.

The excursion to Harrisburg Saturday will be largely patronized from points in Penns Valley.

Miss Kathryn Heinle, daughter of Senator W. C. Heinle, has entered a school of education in Philadelphia.

On account of a paralytic stroke received some time ago, L. C. Reareick, of Bellefonte, is still confined to his home.

Mrs. A. Walters and Mrs. S. M. Campbell, of Millheim, last week went to Mt. Union where they will spend some time with Prof. and Mrs. S. Ward Gramley.

William Oles and Miss Pearl Shimp, of Lewistown, drove to Centre Hall Saturday and returned Monday. While here they were the guests of Mr. and Mrs. D. F. Luse.

Prof. Cyrus Grove, superintendent of public instruction in Stephenson county, Illinois, is a candidate for reelection. Mr. Grove is a native of Potter township, and has been one of the most successful and popular superintendents that county has had in many years.

A slight wound on the hand of Rev. W. B. Cox, pastor of the United Evangelical church, Bellefonte, became ulcerated and twice the lance was used to relieve the pain. The injury was caused by the spur of a rooster coming in contact with the reverend who was preparing to decapitate the fowl.

On account of the arrival of a daughter at the home of Mr. and Mrs. W. Sidney Kuhn, at White Deer, Mrs. J. C. Kuhn, of Centre Hall, has been at that place for the past few weeks. The proud father is employed by Witmer & Steel, the extensive lumbermen, as engineer at the White Deer mill.

H. G. Strohmeyer, the Centre Hall granite dealer, was at Glen Iron last week where he erected a monument and head stones. While in Union county he was the guest of Mr. and Mrs. Irvin J. Shirk. Mrs. Shirk before marriage was Miss Marjorie Sweetwood, known to many of the Reporter's readers.

The Pennsylvania Telephone Company has issued a new directory. The farmer lines, organized under the Patrons Rural Telephone Company, are grouped in the latter pages of the book. On page ten of the directory, under the caption, "How a telephone call should be responded to," is a bit of information that should be noted by every telephone user.

Ex-Senator W. C. Heinle and George M. Dimeling, the Democratic nominee for State senator, made a tour through Penns Valley last week in the interest of the latter's candidacy. Mr. Heinle is acting the part of an honorable gentleman, and since he was not renominated for state senator he is not spending his time sulking, but is actively engaged in the interest of Mr. Dimeling's campaign. This is the spirit that should prevail among all candidates for office—the successful aspirant should have the loyal support of his fellow candidates for the nomination. Mr. Heinle is not only doing a justice to Mr. Dimeling, but to himself and the Democratic party. The example is one that should be noted by local politicians.

HUNTER SHOT FOR WILD TURKEY.

The Accident Happened in the Brush Valley Mountains, the Victim Being Ammon Walker, of Rebersburg.

The first serious shooting accident of the season in Clinton county occurred Saturday afternoon in the Brush Valley mountains, near Tylersville. Ammon Walker, of Rebersburg, and William Bletz, of Tylersville, were out hunting and became separated. Later Walker heard the call of a wild turkey and imitated the fowl in order to lure it towards him. Bletz heard the imitation call, and thinking it was a turkey, answered it. The two men, unaware of each other's proximity, came closer together, when Bletz espied something moving through the underbrush, which he mistook for a turkey, fired a charge of "turkey shot" at the object. The next instant he was startled to hear cries of pains and groans coming from his companion, Walker, who received a large portion of the load of shot in his head.

The injured man was assisted to the road, a wagon was procured and he was taken to his home at Rebersburg, where Dr. J. W. Bright removed the several shot and dressed the wounds. One shot entered the forehead, another the cheek just below the eye, while a third entered the mouth. While painful, the wounds are not considered dangerous by the physician, who expects the patient to recover, unless something unlooked for should develop.

Hand Car in Splinters.

Some of the trackmen belonging to the Paddy Mountain crew on the L. and T. R. R. made a narrow escape from being run down Saturday night. The men were on their way to Coburn on a hand car when the train going east for the Pennypacker excursionists came along. The men made their escape, but the hand car was broken into splinters.

It's a Real Bear.

A large black bear has been despoiling himself on Nittany Mountain, above Centre Hall. Not less than a half dozen persons at various times have had a good view of him. Byron Garis was the last to see him, but having nothing but a single barrel shot gun and shells loaded with small shot, bruin was unmolessted.

Thanksgiving, November 29.

The Thanksgiving day proclamation is out, and on the 29th day of November the people will have more to give thanks for than the President deemed it judicious to enumerate and more than the Governor of this State will feel grateful for. A good deal of public gratitude will be expressed on the day after the election.

Married in Chicago.

Roland L. Kerr and Miss Alice Wieter, were married Wednesday in Chicago. Mr. Kerr is the son of Mrs. Myra Kerr, of Omaha, Nebraska, formerly of Centre Hall. He had been located in Chicago for some years when he won his bride. The young couple will be at home in Omaha after November 1st.

To a Smart Property-Owner.

Painting is practical work. Skill wins. It's the same with paint making. You know 4 gallons L. & M. mixed with 3 gallons Linseed Oil makes enough paint for a moderate sized house—the best paint money can buy—because the L. & M. Zinc hardens the L. & M. White Lead and makes the L. & M. Paint wear like iron. Buy L. & M. and don't pay \$1.50 a gallon for Linseed Oil, as you do in ready-for-use paint, but buy oil fresh from the barrel at 60 cents, and mix with the L. & M. Actual cost L. & M. about \$1.20 per gallon. Sold by Reareick Bros., Centre Hall.

How to Cure a Cold.

The question of how to cure a cold without unnecessary loss of time is one in which we are all more or less interested, for the quicker a cold is gotten rid of the less the danger of pneumonia and other serious diseases. Mr. B. W. L. Hall, of Waverly, Va., has used Chamberlain's Cough Remedy for years and says: "I firmly believe Chamberlain's Cough Remedy to be absolutely the best preparation on the market for colds. I have recommended it to my friends and they all agree with me." For sale by The Star Store, Centre Hall; F. A. Carson, Potters Mills; C. W. Swartz, Tusseyville.

"THE COLLEGE WIDOW."

To Play an Engagement of two weeks at the Chestnut Street Theatre, Philadelphia.

The pretty "College Widow," with her following of fetching girls and rollicking students returns to the Chestnut Street Theatre, Philadelphia, for a two weeks' stay commencing October 22nd. People who have seen the play go again and again and declare they always find something new to laugh at and enjoy. Ade's bright lines fairly bristle with wit and humor, within a story admirable in combining the elements of simplicity and continued interest. Mr. Ade in "The College Widow" has sketched a score or more of amusing American types, irresistible because of their absolute fidelity to nature. For this company Mr. Savage has endeavored to provide a cast that if possible, will outshine all others that have appeared in the comedy. The cast includes Thomas Meighan, Evelyn Vaughan, Gertrude Quinlan, Frederick Burton, Louise Forde, Adeline Dunlap, Laurence Wheat, Albert Tavernier, Edgar Halstead, Dan Collyer, Thomas Delmar, E. Y. Backus, Melville Alexander, Hall Norcross, Virginia Milton, Mildred St. Pierre, Minnie Monroe, Alice Donovan, Dale Loomis, and others.

Some time ago he was examined for entrance into college in Philadelphia, to prepare for a veterinary surgeon, and received a \$300 scholarship. The young man had weak lungs, however, and was advised to come home, but as he was not considered strong enough to go the whole distance he is staying at Kimpert's until he is able to go to his home.

Report of Shingletown school, H. W. Lonberger, teacher, for first month: Number scholars enrolled first day, 20; present every day during month, Edna and Anna Leech, Mabel and Ruth Koch, Rosy Breen, Mary Lohr, Miles Thomas, Roland Breen, Edgar Hess, Edwin Lohr; per cent of attendance, male, 99; female, 98; total, 98. In the first monthly examination some of the scholars reached the highest mark, 100, in several of the branches.

Nittany Mountain.

Charles Pecht is the only one who shot a wild turkey in this section thus far.

Quincy, Sprains and Swellings Cured.

"In November, 1901, I caught cold and had the quincy. My throat was swollen so I could hardly breathe. I applied Chamberlain's Pain Balm and it gave me relief in a short time. In two days I was all right," says Mrs. L. Cousins, Otterburn, Mich. Chamberlain's Pain Balm is a liniment and is especially valuable for sprains and swellings. For sale by The Star Store, Centre Hall; F. A. Carson, Potters Mills; C. W. Swartz, Tusseyville.

After November 1st passengers who board trains without railroad tickets will be obliged to plank down fifteen cents extra, which amount will not be refunded. This extra fifteen cents is for the extra trouble of handling the cash by the conductor.

There will be a public meeting in Grange Arcadia Friday evening, Oct. 26, at 7:30, for the purpose of organizing a class in vocal music, instructed by Philip H. Meyer. Everybody in Centre Hall and surrounding is cordially invited to attend.

Hon. John Noll, Democratic candidate for the Legislature, was in Centre Hall Monday on his way down through Penns Valley. Mr. Noll is opposed to the gang methods at Harrisburg, and if re-elected will support every measure that will aid in uncovering the rottenness of the capitol dickering. To do this Mr. Noll only needs to follow the course pursued by him in the past sessions.

Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle, by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

Don't make any mistake, but remember the name, **Swamp-Root**, Dr. Kilmer's **Swamp-Root**, and the address, Binghamton, N. Y., on every bottle.
