## Heart and Nerves Fail on

A resident of a great Western
State puts the case regarding stimu-
lants with a comprohensive brevity ant is atmirable. He says:
thave hat
"I am 56 years old and have had
considerable eaperience considerable experience with stimu-
lasts. They are all alike mortgage
on reserved energy at ruinous intercaits. They are all alike-a mortgage
on reserved energy at runinous inter
est. As the whip stimutates but does
ont atrenthen the not strengthen the horse, so ot stim-
ulatsts act upon the human system.
