

DEATHS.

JOHN CARSON.

John Carson, a well known farmer in Buffalo Run Valley, died Thursday of last week. He had been complaining of heart trouble for several days, but was about his work as usual when he suddenly expired.

Meiss Sells Colyer Store.

George R. Meiss sold his Colyer store to W. J. Copenhaven, of Pitsaon, that gentleman having taken charge of the same last week. Mr. Copenhaven is a young man, full of energy and will endeavor to keep up the good record of his predecessor and maintain a well-stocked store. He is a son-in-law of Thomas Fleisher, and consequently is not a total stranger to the people about Colyer.

Mr. Meiss will retire as a merchant, but will continue his trips to Millin county, carrying with him the products of the Penns Valley farms, and will also in the future give more attention to butchering. He will remain at Colyer and conduct his business from that point.

The young people to Centre Hall are enjoying the super-coasting. It depends on the nerve of the coaster whether he makes the run a mile or less.

SALES ARE ENORMOUS.

Cooper Preparations Leading Topic in Cincinnati—Callers at Young Man's Headquarters Are Interviewed.

Cincinnati, Ohio, Feb. 20 The most interesting feature of the enormous sale of the Cooper preparations, now going on in this city, is what the medicines are actually accomplishing among the people of Cincinnati.

At the commencement of his visit here Mr. Cooper prophesied that during the later part of his stay he would receive hundreds of callers daily who came simply to thank him for what the preparations had done. He also stated that stomach trouble is the foundation for a great many diseases and that his New Discovery, as it is called, would prove very effective in all cases of rheumatism simply by getting the stomach in working order.

That this prophecy has been fulfilled cannot be doubted after a half hour spent at the young man's headquarters listening to what his callers have to say.

A reporter, who watched to ascertain, if possible, some light on the reasons for the immensity of Cooper's success, interviewed about twenty of his callers yesterday afternoon. The statements made by those seen indicate that physicians who claim that Cooper is merely a passing fad, have not looked into the facts.

Some of these statements were as follows: Miss Sallie Middleton, living at 1957 Central Av., upon being questioned, said:

"I have been troubled with general weakness, dizziness, headache, sleeplessness and stomach disorders for a number of years, suffering all the time with my kidneys and back. I had tried a number of medicines and visited several doctors but none helped me. I heard on all sides of these Cooper remedies and decided to try them. Any one who says that they are not wonderful medicines, does not know what they are talking about. After I used the first bottle, I noticed a decided improvement. I have taken three bottles of the New Discovery and I now feel as well as I ever have in my life. I sleep and eat as I have not

done for years, and I am happier than I have been for a long time. I have come here to thank Mr. Cooper for what he has done for me."

The statement of Mrs. M. E. Emerson living at 630 W. Court St., was as follows:

"I have suffered with stomach trouble and constipation for a year or so. When I ate I would have bloated spells, sour stomach, fermentation, bad taste in my mouth. In the morning I was as tired as when I went to bed. I had a dull pain in the lower part of my back. I have taken almost one bottle of the New Discovery and I am wonderfully improved that I have come down here to thank Mr. Cooper in person and obtain more of the medicine."

Another statement was made by Mr. E. Luken living at 1006 East St., who said: "I have been a sufferer with rheumatism for several years. I could not walk or stand on my feet when Mr. Cooper came to Cincinnati. Nothing helped me in any way and I despaired of finding relief. I was in a general rundown condition, also, and had some stomach trouble. Hearing of his wonderful work my father consulted him regarding my case and purchased a bottle of his New Discovery. After I had finished that one bottle I was able to walk down town and see him myself."

"I have continued to take this wonderful medicine and I am now without a sign of rheumatism. My general health is also greatly improved and I would not have believed that there was a medicine on earth that would do what this has done for me. I am so much happier that I am very grateful to the man that has made it possible for me to regain my health. He has the most wonderful medicine that I know anything about."

Other statements taken from those who had previously used the medicines seem to prove that Cooper's success throughout the country is genuine.
