Letter to Foreman & Smith, Centre Hall, Pa.

Dear Sirs: If you could get the exclusive sale of a coal that would give double heat and cost no more, you'd jump at it, wouldn't you?

You'd control the trade for a hundred miles!

Devoe is like that among paints; a short ton is as good as a long one of paint you can name; a gallon is worth more than two of many a popular paint.

Suppose you have painted your house about once in three years ever since it was new; you buy the same number of gallons Devoe, have a third of it left, and it wears six years. Count your costs.

\$1.75 a gallon for paint; \$3.50 a gallon for putting it on; you saved 5 gallons: \$25.25 on this job. But you save the whole job of three years, hence: about \$75. Put 'em together: \$100.

Can't reckon so accurately as that; but you see how it goes. Paint isn't any more than coal. How much more is coal worth than paint?

Yours truly,
F. W. DEVOE & Co.,
New York.

Kreamer & Son sell our paint.

Last Appointment.

Rev. G. W. McInay will fill his last appointment on the Penns Valley charge Sunday. The members of his congregations, as well as those of other denominations, will regret it if he is not returned to this field by the conference. The members of his pastorate, it is understood, have made formal request that he be returned, and it is quite likely that conference will be obliging to that extent. Rev. McInay has been pastor of the Penns Valley charge for three years, during which time he performed much valuable service among his members.

Celebrates 78th Anniversary.

Mrs. Phoebe Yearick celebrated the seventy-eighth anniversary of her birth Tuesday at the home of her daughter, Mrs. W. B. Mingle, in Centre Hall. Gross Mingle, and Philip Albert Mingle.

Cut Throat with Razor.

Mrs. Elizabeth Rhodimer, of Hartleton, attempted to commit suicide by cutting her throat. She is aged about seventy years, and is supposed to have been temporarily unbalanced. She is the sister of Lewis Mensch, well known in this Valley. There is a slight hope for her recovery. The deed was committed Sunday morning, and a razor was the implement used.

Supper Saturday Evening.

In addition to the chicken and waffle supper announced to be served by the members of the United Evangelical church, Saturday evening, in the Logan House, there will be served ice cream and cake. Upon request suppers will be delivered at private houses. A fancy goods table will also be had, from which will be offered needle work.

Among the Reporter's callers Saturday was J. S. Lindsay, of near Colyer. He is the gentleman who about a year ago purchased the Peter Boal property, at Boal's Gap, with a view of prospecting for oil. He and his associates disagreed, as to details, consequently the putting down of the test well has been deferred, but Mr. Lindsay assured the Reporter that when the proper time comes a well will be put down. He is confident that there is a valuable product underneath his holdings, and he will not be content until he has made a thorough investigation by the aid of a diamond point drill.

Do Not Crowd the Season.

The first warm days of spring bring with them a desire to get out and enjoy the exhilarating air and sunshine. Children that have been housed up all winter are brought out and you wonder where they all came from. The heavy winter clothing is thrown aside and many shed their flannels. Then a cold wave comes and people say that grip is epidemic. Colds at this season are more dangerous than in mid-winter, as there is much more danger of pneumonia. Take Chamberlain's Cough Remedy, however, and you will have nothing to fear. It always cures, and we have never known a cold to result in pneumonia when it was used. It is pleasant and safe to take.
