

DEATHS.

JACOB HESSICK.

The following is from a local paper at Green Springs, Ohio. The subject of the sketch is well known to many readers of the Reporter, he having lived for years in the Seven Mountains from which place he moved to his late home.

Jacob Hessick, aged eighty-five years, eleven months and thirteen days, died at his home in this village, Monday, May 13th. The funeral services were held at his late home the following Wednesday morning at 10 o'clock, conducted by Rev. J. G. Enale, of the Reformed charge at Sandusky. Interment in Green Spring cemetery.

The deceased was born in Switzerland and came to this country when a young man and located in Pennsylvania. He was a basket weaver and shoemaker by profession and followed these vocations nearly all his life. Mr. Hessick was an industrious citizen and always busily engaged at work.

While of foreign birth, he was loyal to American institutions and was in the Union army belonging to a Pennsylvania regiment during the war of the rebellion. He was also in the Mexican war and served this country in her hour of need. His christian belief was that of the German Reformed church, of which he was a faithful member.

The deceased is survived by a widow and four children, viz: John Hessick, Mecosta, Mich.; Mrs. David Stoner and Albert Hessick, Green Spring, and Mrs. Fanny Shirey, of Unionville, Pa.

MRS. LAVINA RATHFON.

Mrs. Lavina Rathfon, died at the home of her daughter, Mrs. Alice Bell, at Easton, of diseases incident to old age. Her age was about eighty years. Three brothers and three sisters survive her, viz: Adam P., John H., William S. Malze, and Mrs. Christ Woodling, of Millheim; Mrs. Jacob Mowery, of Hubbersburg, and Mrs. Mary Cassell, of Harrisburg. Viewing Power Site.

The officers of the Wilson Electric Light and Power Company spent Saturday in looking over the proposed site for building an immense dam on Penns Creek, near the station of Lindale, on the Lewisburg and Tyrone railroad, near the line between Centre and Union counties. They were accompanied by a party of capitalists from New York city, who are interested in the matter in a financial way. This is the company spoken of in these columns on several previous occasions, at which time the parties were referred to as the three W's.

Improvements.

The home of D. L. Kerr has been improved by an application of a coat of white paint. D. K. Geiss had new window sash and lights placed in his dwelling. Al. Kraper piped the water from main street to his barn. John Luse is painting his dwelling. Dr. Allison is erecting an addition to his house.

The Primary Elections.

The primary elections held last Saturday were very lightly attended in all districts in Centre county. The condition was partly due to the fact that few candidates were to be named, and again there was no opposition on the tickets.

Resolved That we bow in submission to the will of our Father, Who doeth all things well.

Resolved That we hereby record our appreciation of the kind, gentle, patient spirit of our deceased sister, and desire that the lessons she taught us, of devotion and loyalty, both by precept and example, be studied by us.

Resolved That we hereby recognize her place vacant—a place she so well filled in life.

Resolved That we assure the bereaved family of our heartfelt sympathy, and pray the presence of the Comforter in their hour of deepest sorrow.

LOCALS.

From what little can be learned of the teachers new salary law, the state will pay the increase of salary over \$40.

Messrs. George Heckman and H. D. Rosman, east of Centre Hall, have each secured a boy from New York city. The boys expect to make their homes in the families of the gentlemen mentioned. They came to know of the lads through Rev. G. W. Kerschner, of New York.

Patrick Garity, of Potters Mills, and J. Calvin Vonada, of Stone Mill, were callers Wednesday. Mr. Garity was anxious to get back to his good wife (?) and little crying children (?) who always lament when he is away from home. All jokes aside, Mr. Garity's home is one of the most hospitable places in a half dozen counties, and this fact is known over half the state.

Mr. and Mrs. C. N. Kryder, who six years ago moved from this place to Arboreale, West Virginia, are among friends in Centre Hall at present. Mr. Kryder was a member of the firm of Orwig, Kryder & Co., extensive lumber operators with mills at Arboreale and other points south, until the dissolution of the firm a short time ago, at which time their mills were disposed of. Mr. Kryder is now interested in timber lands in West Virginia, and on his return to that state will begin operations in his own name. He has large experience in the lumber business, and finds the south full of opportunities in his line.

Appreciate the Worth of Sleep.

The amount of sleep required by a person can be determined better by the effects obtained than by the number of hours consumed, for it differs greatly with age and the condition of health. Few fallacies are more dangerous than that which is often adopted by busy people, more especially by those engaged in scientific or other forms of intellectual work, when they assume that the duration of sleep is largely a matter of convenience. The harmfulness of deficient sleep may not reveal itself until the age of decline has been reached, but it will surely hasten the decline.

It Had to Come.

Mrs. Cakobread was entertaining some ladies at a select little 5 o'clock tea, and Bobby, who had been exceptionally well behaved, was in high feather.

"Ma," he said as cake was being handed around, "may I have some tongue, please?"

"There isn't any tongue, Bobby."

"That's funny," commented Bobby. "I heard pa say there would be lots of it!"—Strand Magazine.

Prophecy Fulfilled.

Patient—I have come to tell you, doctor, that that young stock broker whom my daughter met at the sea four months ago has now proposed to her, and they are engaged.

Doctor—Now, didn't I tell you that you would benefit later by your change?—Meggendorfer Blatter.

A Big Meal.

He—What do you think? I overheard Mr. Spoonem talking to Miss Platter in the conservatory, and he told her she was sweet enough to eat. She—The glutton! That Platter girl weighs fully 200 pounds.—Judge.

Philosophy.

All philosophers are poor men, but it would be better for all poor men to be philosophers. As to the rich, they do not need philosophy.—St. Louis Globe-Democrat.

Fidelity purchased with money, money can destroy.—Seneca.

Georges Valley.

Children's service at Locust Grove Sunday evening.

Mr. and Mrs. Josiah Matter, of Sugar Valley, visited their son, Wm. H. Matter, over Sunday.

Mrs. Igen and son Paul, of Millinburg, visited the former's sister-in-law, Mrs. David Reaick, a few days.

Miss Bert Jamison spent a few days last week at Centre Hall.

Wesley Gobble tore down his old barn last week.

Wm. Bipska and wife passed through the valley Sunday, on their way to visit the latter's parents, Mr. and Mrs. Solomon Lingle, near Centre Hall.

Dolen, Ella and Jennie Decker spent Sunday evening at Wm. Matter's.

Misses Anna and Mary Reaick were on a short visit from Wednesday until Friday last week.

Mrs. Wm. P. Lingle, who some time ago went to the Bellefonte hospital for treatment, returned home Saturday. She is not improving, but seems to be growing weaker.

Dr. Schuyler, of Centre Hall, delivered an interesting address in the Cross church on Memorial day.

Clayton Barger, who is employed at Burnham, was home over Sunday.

Miss Rae Houtz, accompanied by her mother and two brothers, Warren and Francis, visited at Beech.

The farmers are through planting corn, but many fear they must plant it over.

Tuesday Andrew F. McClinton, of Milroy, drove a splendid team of horses to Spring Mills, and a short time after reaching that place one of the horses died. He had paid \$235 for the animal a short time ago, and a day or two previous was offered \$250 for it.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs or the kidneys themselves break down and waste away cell by cell.

Bladder troubles most always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and sold by all druggists in fifty-cent and one-dollar sized bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

A Hair Dressing

Nearly every one likes a fine hair dressing. Something to make the hair more manageable; to keep it from being too rough, or from splitting at the ends. Something, too, that will feed the hair at the same time, a regular hair-food. Well-fed hair will be strong, and will remain where it belongs—on the head, not on the comb!
