LETTER FROM MR. SHANNON.

Tells About Conditions of Crops in Kansas—Kind Words for the Reporter.
I herewith enclose forty cents for which please send me the eleven views of your town as advertised in the Reporter, which comes to me each week a welcome messenger from my old home, full of local news which I fully appreciate. We have had some extremely warm weather during the last few days, the temperature of yesterday was up to 102 degrees.

Farmers are done harvesting a better crop of wheat and oats than was expected, and is of good quality. I am told that corn is doing well but will need rain in the near future. I have not been out to see any crops this year on account of the condition of my health, not having been down town for seven months. Diabetes is the disease troubling me, and am now only the shadow of my former self. With kindest regards to all my old friends in and about Centre Hall, I remain,
Very sincerely,
ALEX SHANNON.

Calvin Huss, of Spring Mills, was about his home last week. Last season he traveled with Veeland's minstrels, playing in the band and singing a bass solo in the first part of the show.

Prof. Wm. T. Meyer, of Philadelphia, will spend his vacation in the old home county during August. Persons desiring to have their piano tuned, can address him at Aaronsburg.

Gov. Stuart re-appointed Miss May V. Rhone a clerk in the Pure Food Department. She has held the appointment for a number of years, which is evidence of her fitness for the position.

Miss Edna Murray, one of the Bell telephone exchange operators, went to Harrisburg Friday and returned Wednesday. While in the state capitol she was the guest of her uncle and aunt, Mr. and Mrs. Aaron H. Harter.

A light attack of typhoid fever obliged John Foreman to return to his home near Spring Mills from Altoona where he had been going to school and making his home with his sister, Mrs. Samuel H. Glenn. He has now recovered sufficiently to be out of bed and down stairs, and by proper care will be able to walk out of the house in a short time.

Mrs. C. A. Spencer and sons, Kirk and Frank, of Curwensville, were the guests of Mr. and Mrs. Charles D. Bartholomew, and other relatives in Centre Hall. Mr. Spencer is in Chicago at present where he is engaged with the Chicago Construction Company, and consequently did not accompany his family on their vacation.

Mrs. Spencer, before marriage was Miss Emma Bartholomew, and is quite well known among the younger people of Centre Hall. In the three years that elapsed since her last visit here her sons have outgrown the kilts, and are now very much alive boys and bright as one of Uncle Sam's new dollars.

To celebrate his birthday at the place of his birth, Hon. Leonard Rhone and daughters—Misses May and Florence—went to Rhoneymede Saturday and remained over Sunday. The latter day was the one on which the sixty-ninth anniversary of Mr. Rhone's birth occurred, and the day was ideal. The pleasures of this little outing were also participated in by a half dozen friends of the family, all of whom were convinced that Rhoneymede is a most hospitable spot. Mr. Rhone bears his years remarkably well, and no one would guess his age to be on the border of seventy. He is not an idler, but always keeps his hands and mind occupied.

CAMP LINDEY.

Word From Tipton That Company B is O. K.—and the Cooks, Too.
Company B left Bellefonte Monday morning about ten o'clock, with a special engine, for Camp Lindsey, at Tipton. Arriving at the camp grounds about half past one in the afternoon, they found a very rough place to pitch their tents. The men were put to cleaning and fixing up, and all day Saturday it was dig and haul stones, brush and other rubbish. At night-fall the camp ground did not look like the same place. The people who own ground like this ought to pay the government big money to camp on it. They certainly get it well cleaned off.

Sunday was a beautiful day, and quite a crowd of people visited camp. Company B had one hundred and fifty visitors for dinner and supper. It made the farmer cooks, Noll and Parker, hustle—and don't forget it. Monday morning everything was quiet.

The company is ably handled by Capt. Phillip Garbrick and First Lieutenants S. D. Gettig and Richard Taylor. Company B stands first in the Fifth Regiment, and the Fifth Regiment stands first in the Second Brigade.

The Doctor Away from Home when Most Needed.

People are often very much disappointed to find that their family physician is away from home when they most need his services. Diseases like cramp, colic and cholera morbus require prompt treatment, and have in many instances proven fatal before medicine could be procured or a doctor summoned. The right way is to keep at hand a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. No physician can prescribe a better remedy for these diseases. By having it in the home you escape much pain and suffering and all risk. Buy it now; it may save life. For sale by The Star Store, Centre Hall; F. A. Carson, Potters Mills; C. W. Swartz, Tusseyville.

Williamsport Commercial College.

SHORT TALKS BY

L. T. COOPER.

CHRONIC CRANKS.

We all have met people who are continually kicking. Life seems a terrible thing to them. They seldom smile. Something dreadful is going to happen, nothing is ever just right, and they worry and fret and complain from morning till night. Their trouble seems to be just a bad disposition but this is seldom so. In most cases there is one of two things the matter with them; either their nerves or their digestion is responsible. Both come from the same thing—stomach trouble. A man or woman whose nerves are tied in knots is bound to be mighty poor company. The same thing is true if what they eat don't digest properly. No wonder they grumble, I don't blame them.

I have seen Cooper's New Discovery change the whole disposition of people in a month's time simply by getting their stomach in shape again. Even the expression on their faces was altogether different. The worried, tired, fretful look changed to a peaceful happy expression, and the lines of care disappeared altogether. Many people tell me about this in letters. They seem to think it a miracle. It is. It's just the stomach working again.

Here's a case of this kind: "I suffered with my stomach for thirteen years. Nothing I ate seemed to digest. I also had chronic constipation, and was tired, dull, irritable and despondent all the time. I found it difficult to attend to my duties as traction agent at this place. "Six different doctors treated me and all gave different opinions. "I began taking Cooper's New Discovery, and to my surprise it helped me from the first. I have gained ten pounds in three weeks and am feeling fine. My work now is a pleasure, where before it was drudgery." J. R. Smock, Cicero, Indiana.

Best Medicine in the World for Colic and Diarrhoea.
"I find Chamberlain's Colic, Cholera and Diarrhoea Remedy to be the best remedy in the world," says Mr. C. L. Carter, of Skirum, Ala. "I am subject to colic and diarrhoea. Last spring it seemed as though I would die, and I think I would if I hadn't taken Chamberlain's Colic, Cholera and Diarrhoea Remedy. I haven't been troubled with it since until this week, when I had a very severe attack and took half a bottle of the twenty-five cent size of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and this morning I feel like a new man." For sale by The Star Store, Centre Hall; F. A. Carson, Potters Mills; C. W. Swartz, Tusseyville.
