LOCALS.

Miss Carolyn Stamen, of Lancaster, is the guest of Miss Helen Hosterman.

Chas. D. Bartholomew has ordered a flock of fancy chicks—Leghorns—bred from a long line of record hens.

Wheat is yielding very well. Yields from small plots have been reported anywhere from fifteen to thirty bushels per acre.

Wednesday morning Mr. and Mrs. D. A. Booser and Mr. and Mrs. W. Frank Bradford started on a little pleasure trip to Niagara Falls and other nearby points.

Mrs. Byron Garis, on ascending the stairs of her home in Centre Hall, discovered a house snake crouched on the top step. A hoe was secured and with it the reptile was killed.

Mr. and Mrs. Brady F. Beck and children, of Lock Haven, were guests of friends on the South Side of the valley, and before returning home spent a short time in Centre Hall, beginning of the week.

Mr. and Mrs. Charles D. Moyer, of Hartleton, have been spending a few days with their former pastor, Rev. J. I. Stonecypher and wife. They witnessed the corner stone laying at State College on Sunday.

Bishop Darlington, in addressing the graduating class in the Lock Haven State Normal School, paid a high compliment to the students and faculty of that great school. Its catalog is a most interesting volume. The fall term begins September 9th.

Misses Mable Allison, of Spring Mills, and Miss Alice Robison, of Centre Hall, are enjoying life at Camp Bo Narr, near Lumber City, Clearfield county. The camp has become very popular and was opened by a few young people in Clearfield county, and now the circle has widened to admit some with proper credentials from other counties.

What an eighty-seven-year-old boy can do on a load of grain can best be learned by watching John Allen toss about the sheaves of wheat for the farmers on the south side of Potter township. Mr. Allen is not a mighty man in stature, but he has all the other men in his class skinned when it comes to labor. Long live Johnny Allen, the miller.

Oliver Strunk secured a side stacker to be used with his threshing machine. This will be a labor saving contrivance, and will do away with the man needed to push the straw into the mow from the overhead. A modern dust collector was also added which removes fully ninety per cent. of the dust, making threshing bearable by any ordinary workman.

Mrs. Fishburn, widow of Harry Fishburn, accompanied by her daughters Lola V. and Mary, was the guest of Mr. and Mrs. Samuel Rowe, in Centre Hall. The little girls are being kindly cared for at the Sunbury orphanage, I. O. O. F. It will be remembered that the older of the two girls suffered from a diseased bone in one of her lower limbs, but after scraping had been resorted to and nine months of hospital treatment followed, the child is now not at all hampered in locomoting.

Irvin V. Musser came to Centre Hall to join his wife and son at the home of Mr. and Mrs. W. H. Meyer and will remain until next week. Mr. Musser is salesman for the Keystone Bakery, which concern is doing an extensive business. On the side he made an investment in building lots, and erected a very pretty home, but the rapid advance of real estate in that quarter was too tempting, and consequently the property was sold. The building boom is at its height in Beaver, in which town the Musser's live, so it was decided to wait until next year to construct the proposed dwellings.

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work.

Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart troubles, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle by mail. Home of Swamp-Root, Vee, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

Don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

HAD AN AWFUL TIME.

But Chamberlain's Colic, Cholera and Diarrhoea Remedy Cured Him.

"It is with pleasure that I give you this unsolicited testimonial. About a year ago when I had a severe case of measles I got caught out in a hard rain and the measles settled in my stomach and bowels. I had an awful time and had it not been for the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy I could not have possibly lived but a few hours longer, but thanks to this remedy I am now strong and well. I have written the above through simple gratitude and I shall always speak a good word for this remedy."—Samuel H. Gwin, Canton, Ga. For sale by The Star Store, Centre Hall; F. A. SHORT TALKS BY L. T. COOPER:

LIVER TROUBLE.

A dull, sluggish liver always brings a dull, sluggish feeling to the entire body. When the liver works properly the blood courses through the body in a bright red stream. When the liver is inactive the blood becomes dull and muddy, and it is full of poisonous matter.

A great many people try to get a fine, clear, pink and white complexion by rubbing things on their faces. They might rub a life time and the same yellow complexion would remain—for the liver causes it. Only bright, red blood brings fine complexions.

Blood loaded with impurities from the liver sends the impurities out through the pores of the skin and turns the skin a brownish yellow.

To get rid of the dull, heavy feeling and muddy, yellow complexion get the liver to working again. Two bottles of Cooper's New Discovery will do this nine times out of ten though sometimes it takes four or five bottles.

Here's what a man who tried it says: "My health had been poorly for several years. My face was yellow and covered with pimples, I was bothered constantly with chronic constipation, had little or no appetite and could not sleep well at night. I became weak and lost all ambition. I tried many different medicines but nothing seemed to help me until I began taking Cooper's New Discovery. It seemed to help me at once. Now, after I have taken several bottles I feel entirely well. My face is clear, I sleep well, have a good appetite and am quite myself again."

"I am deeply grateful for my restored health." Michael Silk, 24 Kentucky Ave., Indianapolis, Ind.

Chamberlain's Colic, Cholera and Diarrhoea Remedy Better Than Three Doctors.

"Three years ago we had three doctors with our little boy and everything that they could do seemed in vain. At last when all hope seemed to be gone we began using Chamberlain's Colic, Cholera and Diarrhoea Remedy and in a few hours he began to improve. Today he is as healthy a child as parents could wish for."
