### THE CALL OF THE SEA

"The water is fine; come in!"

This is the call of the sea, the generous invitation of Old Neptune to partake of the delights of his realm, and it sounds clear and distinct from each of the points in the greatest chain of seashore resorts in the world—the wave-washed New Jersey Coast.

Gay Atlantic City; witching Wildwood; New Cape May in the first flush of its rejuvenation; Sea Isle City, Ocean City, with their smaller sister-resorts nearby; Asbury Park and Long Branch where sylvan shades meet incoming billows—each echo the call to young and old: "Come one; come all!"

Unequaled opportunities are offered to pay a visit to the Southern New Jersey sea coast resorts in the great seashore excursions of the Pennsylvania Railroad now being run at frequent intervals.

From Lock Haven, Williamsport, Lewisburg, Mocaqua, Sunbury, Dauphin, and principal intermediate stations the remaining date for these popular outings is Thursday, August 22.

The excursion tickets are good for a ten-day stay at the shore.

Passengers to Atlantic City may use the famous Delaware River Bridge all-rail route at a slight additional cost. Tickets will be sold to Atlantic City, Cape May, Wildwood, Ocean City, Sea Isle City, Anglesea, Holly Beach and Avalon.

Passengers may stop off at Philadelphia within limit of the ticket, either going or returning. Frequent trains run between Philadelphia and all seashore points.

Full details of these fine outings beside the sea may be obtained of Ticket Agents.
