G. W. Dunkle advertises all his personal effects at public sale, Saturday, September 7th, one p. m.

There is no better heater made than the Red Cross Oak, straight or down draft. The price is made an object.—J. A. Reesman.

Lost—A solid gold stick pin, with black head, some where between W. B. Mingle's and the Reformed church. Any one finding same will please return to Mrs. Phoebe Yearick.

Mr. and Mrs. Warner Gonder and children, of Wall, are at the home of Mrs. Mary Colyer, in Centre Hall. Mr. Gonder is a railroad engineer and is one of the Pennsy's reliable young men in that class.

Rev. and Mrs. W. H. Schuyler are taking their vacation, and have gone to the western part of the state—Pittsburg and surroundings. Sunday Dr. Schuyler filled an appointment in the First Presbyterian church in Homestead.

Mr. and Mrs. A. L. Vogt, of Pittsburg, are at the home of Mrs. Lillie Alexander, in Centre Hall. This is Mr. Vogt's first visit to Centre Hall since his marriage, his position as head of the Pennsylvania Railroad Relief Department requiring his almost constant personal attention.

Mrs. W. M. Grove, of Centre Hill, is entertaining Miss Sallie R. Seltzinger, of Reading, and Annie Gehret, a little tot of six years. Miss Seltzinger is employed in the Globe store, Reading, and has not been to visit the Groves for ten years. Monday evening the ladies, accompanied by Mrs. Grove's granddaughter, drove to Centre Hall and called at the Reporter office.

Mr. and Mrs. J. Will Mitterling and daughter Carrie are on a trip to Chicago and other points. Their first stop was at Pittsburg, where a son—Cleveland—is employed, and from there they will go to Chicago, where their eldest son, Charles A., has been employed for several years. They may also extend their trip to Madison, South Dakota, where a brother—Dr. J. D. Mitterling—is located.

It is altogether probable that Mr. and Mrs. James B. Strohm will become citizens of Centre Hall next spring. Mr. Strohm has been teaching the grammar school in Centre Hall for several years and has been getting along so well and is liked by both scholars and patrons to such an extent that he may be regarded a permanent fixture. It is to be nearer his heart's work that is responsible for his contemplated move to town.

Messrs. Charles F. Shaw and J. Weston Hall, the young men who were located at Centre Hall for several months, engaged in making a soil survey for the Agricultural Department of the National Government, have moved their quarters to Millheim and will conduct operations from that point for a short time. While in Centre Hall they befriended many of its people, all of whom regretted to see them leave, but with them it is a matter of doing the bidding of their superiors, and when they are through with their work at one point they go to another regardless of their inclination to remain longer. During the winter months, when the work cannot be carried on in the North, the young men will be transferred to the South—Texas more than likely.

THE CALL OF THE SEA

"The water is fine; come in!"

This is the call of the sea, the generous invitation of Old Neptune to partake of the delights of his realm, and it sounds clear and distinct from each of the points in the greatest chain of seashore resorts in the world—the wave-washed New Jersey Coast.

Gay Atlantic City; witching Wildwood; New Cape May in the first flush of its rejuvenation; Sea Isle City, Ocean City, with their smaller sister-resorts nearby; Asbury Park and Long Branch where sylvan shades meet incoming billows—each echo the call to young and old: "Come one; come all!"

Unequaled opportunities are offered to pay a visit to the Southern New Jersey sea coast resorts in the great seashore excursions of the Pennsylvania Railroad now being run at frequent intervals.

From Lock Haven, Williamsport, Lewisburg, Mocaqua, Sunbury, Dauphin, and principal intermediate stations the remaining date for these popular outings is Thursday, August 22.

The excursion tickets are good for a ten-day stay at the shore.

Passengers to Atlantic City may use the famous Delaware River Bridge all-rail route at a slight additional cost. Tickets will be sold to Atlantic City, Cape May, Wildwood, Ocean City, Sea Isle City, Angelsea, Holly Beach and Avalon.

Passengers may stop off at Philadelphia within limit of the ticket, either going or returning. Frequent trains run between Philadelphia and all seashore points.

Full details of these fine outings beside the sea may be obtained of Ticket Agents.

"The Old World and Its Ways."

Col. William Jennings Bryan announces a new book of travel entitled "The Old World and Its Ways," which recounts his recent tour around the world and his journeys through Europe. It is profusely and elegantly illustrated with 240 artistic engravings representing men and things seen in the various countries of the earth during that noted journey. The engravings are made from photographs taken by him or his party specially for this publication. It is the monumental literary work of his life, and is published under his special supervision. He has, by special contract with his publishers, made the retail price low with the view to putting it within the easy reach of every reader and book buyer.

If one wants to see the world, and the people who are at the head of affairs in all countries, as well as the masses, he has in this book an opportunity of seeing them through the eyes of Col. William Jennings Bryan. It is sold by subscription, and the Thompson Publishing Company, of St. Louis, Mo., are the fortunate publishers. They offer an especially inviting opportunity to solicitors in another column of this issue.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure, or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs or the kidneys themselves break down and waste away cell by cell.

Bladder troubles most always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and sold by all druggists in fifty-cent and one-dollar sized bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
