

DEATHS.

MRS. CATHARINE ELIZABETH WIELAND. No one competent to judge will quarrel with the opinion that the sons and daughters, the church, the community and the neighborhood have suffered a substantial and irreparable loss in the death of the subject of this sketch.

Catharine Elizabeth Keller was the daughter of John and Polly Keller, and was born Jan. 18th, 1838, on what was then the Arney homestead, two and one-half miles east of Centre Hall, on the Brush Valley road. She moved with her parents to Linden Hall at the age of thirteen where her early life was spent, on what is today known to the older folks as the Irvin property.

At the age of nineteen she was married to Daniel T. Wieland, after which her entire life was spent on what is known as the Wieland farm, one-half mile west of Linden Hall, and which is now owned by the third generation of Wielands. Not until two years ago was active farm life given up, when she removed to Boalsburg that she might spend the remainder of her life in the midst of her family and her church friends. There she died, August 22nd, at the age of sixty-nine years, seven months and four days, of a complication of stomach and heart trouble, but more directly traceable to the latter. She was surrounded by some of her immediate family, passing peacefully into a sleep that knows no waking.

She was the mother of fifteen children, fourteen of whom survive her, the youngest having died in infancy. The surviving children are: Edwin Keller, Scotts Bluff, Nebraska; William Orange, Mitchell, Nebraska; Franklin Ellsworth, Linden Hall; Daniel Thomas, Jr., Moneta, Cal.; Samuel Heilmann, Heilmansdale; Anna Winifred, Hummelstown; Sara Elizabeth, Sunbury; Alfred Penrose, Sayre; Winfield Scott, Bellefonte; Mary Salome, Oak Hall; John Michael, Calvin Ursinus, Clyde Picht and Catharine Gertrude, all of Boalsburg. The children are all married except the last two named, who made their home with the mother.

The funeral was held from her late residence, services being conducted by her pastor, Rev. Black, of the Reformed church, of which church she was a lifelong member, assisted by Rev. Stonecypher, the Lutheran minister of Boalsburg. She was borne to her last resting place by eight of her sons who acted as pall bearers. Although the interment was delayed on their account, Daniel and William live too far distant to reach there in time for the services.

After a sermon of high tribute, paid by her pastor, she was placed beside her husband who preceded her to the grave nine years ago.

Thus another home whose foundations were so substantially grounded in Christian faith and righteous living, has crumbled away. The large audience assembled at the time of her burial is added testimony that her life spent in sacrifice for the good of others lives after her.

Her surviving sister, Mrs. Heilmann, of Heilmansdale, was constantly at her bedside until death. A brother, Henry Keller, of Kansas City, also survives, but was not present at her burial.

MRS. JAMES HUBLER.

Eva, wife of James Hubler, died at their home near Pine Hall, Monday morning, after two weeks' illness of pneumonia and kidney trouble, aged thirty-two years. She was a daughter of L. H. and Hannah Osman who survive her, together with three sisters, one brother and one little daughter. Deceased was a consistent member of the Pine Hall Lutheran church. Interment was made at Pine Hall, her pastor, Rev. R. H. Bergstresser, officiating.

Lewis Markle was buried from the home of his brother, Daniel Markle, in Bellefonte, Tuesday afternoon. His age was thirty-five years. He was a son of Samuel Markle, of Pine Grove Mills.

Paid in Full. Two young ladies, evidently stenographers, were having an animated discussion while on their way to work the other morning in a Market street car. The discussion revolved around the question as to the best method to impress their respective employers as to the value of their services.

"Do you know," said the smaller of the two, "my former employer was the worst old granny. He could not spell the simplest words correctly, and he couldn't pronounce them. One day I thought I would impress him with the value of my services. He gave me a letter to typewrite, and I just went along and copied it as he handed it to me. Then I made a second copy with all the misspelled words corrected. With beaming countenance I handed him both copies."

"What did he do?" breathlessly asked her friend, forcing the conductor to hold his car so that she might alight at her corner and at the same time hear the answer. "He fired me," was the reply.—Philadelphia Record.

Held Their Own. A regiment of regulars was making a long, dusty march across the rolling prairie land of Montana during a recent summer. It was a hot, blistering day, and the men, longing for water and rest, were impatient to reach the next town. A rancher rode past. "Say, friend," called out one of the men, "how far is it to the next town?" "Oh, a matter of two miles or so, I reckon," called back the rancher. Another long hour dragged by, and another rancher was encountered. "How far to the next town?" the men asked him eagerly. "Oh, a good two miles." A weary half hour longer of marching, and then a third rancher. "Hey, how far's the next town?" "Not far," was the encouraging answer—"only about two miles." "Well," sighed an optimistic sergeant, "we're holdin' our own anyhow."

For Thin, Poor Blood. You can trust a medicine tested 60 years! Sixty years of experience, think of that! Experience with Ayer's Sarsaparilla; the original Sarsaparilla; the Sarsaparilla the doctors endorse for thin blood, weak nerves, general debility. But even this grand old medicine cannot do its best work if the liver is inactive and the bowels constipated. For the best possible results, you should take laxative doses of Ayer's Pills while taking the Sarsaparilla. Made by J. C. Ayer Co., Lowell, Mass. Also Manufacturers of HAIR VIGOR, AGUE CURE, CHERRY PECTORAL. We have no secrets! We publish the formulas of all our medicines.

SHORT TALKS BY L. T. COOPER. CHRONIC CRANKS. We all have met people who are continually kicking. Life seems a terrible thing to them. They seldom smile. Something dreadful is going to happen, nothing is ever just right, and they worry and fret and complain from morning till night. Their trouble seems to be just a bad disposition but this is seldom so. In most cases there is one of two things the matter with them; either their nerves or their digestion is responsible. Both come from the same thing—stomach trouble. A man or woman whose nerves are tied in knots is bound to be mighty poor company. The same thing is true if what they eat don't digest properly. No wonder they grumble, I don't blame them. I have seen Cooper's New Discovery change the whole disposition of people in a month's time simply by getting their stomach in shape again. Even the expression on their faces was altogether different. The worried, tired, fretful look changed to a peaceful happy expression, and the lines of care disappeared altogether. Many people tell me about this in letters. They seem to think it a miracle. It is! It's just the stomach working again. Here's a case of this kind: "I suffered with my stomach for thirteen years. Nothing I ate seemed to digest. I also had chronic constipation, and was tired, dull, irritable and despondent all the time. I found it difficult to attend to my duties as traction agent at this place." "Six different doctors treated me and all gave different opinions." "I began taking Cooper's New Discovery, and to my surprise it helped me from the first. I have gained ten pounds in three weeks and am feeling fine. My work now is a pleasure, where before it was drudgery." J. R. Smock, Cicero, Indiana. We sell the Cooper medicines. J. D. MURRAY, Druggist Centre Hall, Pa.
