Obituary.

Francis Fleisher was born in Centre county, July 2nd, 1836, and died at his home in Oronoko township, Michigan, September 11th, 1907, aged seventyone years, two months and nine days.

March 24th, 1859, he was united in marriage to Rebecca Zerby. To this union eight children were born, three sons and five daughters. Two daughters preceded the father to the spirit world.

April 9th, 1866, Mr. Fleisher with his family moved to Michigan and settled in the forest, which now is his beautiful, comfortable home, where he spent forty-one years of his life.

He became converted in 1857, in the Evangelical church, under the labors of Rev. Philip Wagner. He united with the church in which he was converted and remained a faithful member ever since, a period of fifty years. His conversion was thorough and his christian experiences many in number. He cheerfully supported his church, and his home was a shelter

for many a weary Evangelical preacher. He leaves to mourn his departure a widow, three sons, three daughters, six brothers, four sisters. One brother is a minister of the gospel in the
