#### GUilty.

Sanderson and the Ex-State Officers Guilty—Berry Vindicated.

The verdict rendered by the jury in the case of John H. Sanderson, contractor; William P. Snyder, ex-auditor general; W. L. Mathews, ex-estate treasurer, and James M. Shumaker, ex-superintendent of grounds and buildings, the capitol trimmers, comes a great surprise to all who have some idea of the interests involved and the tremendous obstacles to be overcome in bringing these culprits to justice. It is not only a great surprise, but a great popular victory. Of the moral guilt of the defendants there has been little room to doubt. But to fix legal responsibility on them in the matter was quite another thing.

Whatever may happen later, the people have won first blood in the final encounter with their despoilers. This jury's finding gives new confidence in the efficacy of the courts and ordinary legal processes. The Pennsylvania capitol scandal is the most flagrant and stupendous affair of its kind the country has ever witnessed. It was to be feared that if the skill of the grafters was equal to their greed they could not be convicted, but, happily, this is not so. And plundered Pennsylvania may rehabilitate herself before her sister States if she punishes those who have brought shame upon her. And this verdict looks as if she were about to do this very thing.

To Treasurer Berry the outcome of this trial comes as a splendid personal vindication. He it was who first disclosed the crime and whose unsparing labors and skill and courage forced the investigation and the prosecution. The honest Republicans of this State who so far have been misled by their party organs into believing that there is a lot of politics in the matter now have their eyes opened by this righteous verdict. It is for all men who believe in honesty in public and private business alike to rejoice.

#### Recital in Grange Arcadia.

Mrs. Sue Jeanne B. Ulaker, of Millburg, will give a recital, "Woe and Otherwise," in Grange Arcadia, under the auspices of the Y. P. S. C. E. of the Presbyterian church, Friday evening, March 27th. Admission: Adults, 25 cts.; children, 15 cts. Proceeds to be devoted to the carpet fund. Ten years ago Mrs. Brubaker, then Miss Stapleton, taught a class in elocution in Centre Hall. Her work at that time gave much satisfaction, and she has often been asked to return and give a recital, but has not been able to do so until the present time. The liberal patronage of the public is solicited; it will please Mrs. Brubaker and help a good cause.

#### Note from Freeland.

Prof. William R. Bray, principal of the Mining and Mechanical Institute, at Freeland, Luzerne county, an institution of more than local importance and one that is backed by wealthy estates in that county, writes the Reporter: "Times are dull with us at present. Four days a week is the limit in and around the mines and shops. If you Democrats are going to win, give us a good man and a return of confidence."

The Bray family, since it numbers four, is not seeing any immediate distress. The parents are so wrapped up in their 'widdle children, that they are all the world to them.

#### Bible-Bubb.

Wednesday noon, at the home of the bride's parents, Mr. and Mrs. John Bubb, near Centre Hill, Miss Bertha M. Bubb and Harry E. Bible were married, the ceremony having been performed by Rev. Daniel Gress. After a wedding dinner, the young couple boarded the train for a short honeymoon trip to Pittsburg, thereon will begin at Altoona, where the groom is employed by M. P. Brumbaugh, general merchant. The young couple have the best wishes of their many friends in Penns Valley for a long, happy and prosperous life.

#### Evangelist Coming.

The Presbytery of Huntingdon employs an evangelist, Rev. S. L. Boston, whose entire time is devoted to holding evangelistic meetings in the various churches of the Presbytery. He has been at work for about a year, holding meetings for ten days or two weeks in the places visited. Wherever he has been he has made a good impression by his earnestness and power in proclaiming the gospel, edifying christians and winning converts from the world. The committee in charge has arranged to have Mr. Boston begin a series of meetings in Centre Hall on April 10th.

#### Barn Burned by Lightning.

During the electric storm Sunday afternoon the barn of Mrs. William Robb, at Remola, was struck by lightning and burned to the ground. Farm implements, about ten tons of hay and a small quantity of grain were also consumed.

Several days ago a number of dogs had been molesting the chickens on the premises of Wm. Smith below town. They were shot at, to frighten them away, and the result was that Rev. Warburton's dog was killed. It was a fine bird dog and well trained, and Mr. Warburton is sorry to lose it.

Adam Finkle and family, who have been residents of this town for several years past, moved onto their farm, below the Cross church in Georges Valley, last Tuesday.

Refreshments, consisting of all good things necessary to make up a fine supper, were provided by the party, and all had a royal good time. The family will move to Millburg, and every one is sorry to see them go.

There are several new boys in town. Master Geo. Huss delivers the Saturday papers; Lester Condo sells the Saturday Globe; Willard Hassenplug, the Saturday Evening Post, and Russell Condo, of Penn Hall, the Grit.

Rev. Warburton, pastor of the United Evangelical church, leaves here and goes to Millmont, Tuesday evening some forty young folks gathered at the parsonage in honor of Mr. Warburton's nephew, Master Herman Flick. Social games were played, to the pleasure of all.

Tuesday, Rev. G. W. McClunay left for York, to attend conference. He has served as pastor of the Methodist church for five years, and made many warm friends while here. He preached his farewell sermon Sunday evening to a large congregation of all denominations. Many parents of school children are desirous of having a spring term of school. So far no teacher has applied. It is believed and also desired by a great many that Miss Cora Brungart, the present primary teacher, open a summer term. While Miss Brungart has very successfully taught the winter term, she does not desire to, and has no intention of teaching a spring term.

## FACTS ABOUT NEW THEORY SECURED BY INTERVIEWS

People Tell the Reason for Their Faith in Cooper's Belief.

An article from the Nashville, Tenn., Banner, published during L. T. Cooper's visit to that city, throws some light on the remarkable success of the young man's theories and medicines in various cities visited by him during the past year. The article is as follows:

"In view of the enormous sale of Cooper's preparations now going on in this city and the intense interest which Mr. Cooper has stirred up since his arrival, a representative of the Banner spent Thursday afternoon at the young man's headquarters, watching the swarm of humanity come and go.

"During the afternoon the reporter interviewed many of the callers and obtained statements from all who cared to give them as to their experience with Cooper and his preparations.

"The following are selected from those statements as being typical of the general expression of the people seen:

"Mr. B. B. Lanster, living at 1224 North Fourth avenue, when interviewed, said: 'I have been troubled with my stomach for the past two years, and have had rheumatism for more than five years. Sometimes I could not walk, and there were times when I could not even move in bed. Hard knots would form on my muscles, which caused me intense pain. One formed on my stomach after eating, which gave me much pain and distress, and often I was restless and tossed all night, losing much sleep and rest.

"Hearing of Mr. Cooper and the great work his medicine was accom-

plishing for others, I decided to try it. I have taken it about two weeks, and find myself in a greatly improved condition. My stomach is in good shape, and does not trouble me at all. My rheumatism has nearly disappeared, and I expect to resume work shortly, for the first time in twelve months. Mr. Cooper certainly has a wonderful medicine, and I am grateful for what it has done for me.

"Another caller was Mrs. T. J. Smith, of 505 Hudson street. She said: 'I have been a sufferer from bladder and kidney trouble for twenty-five years. In that time I have tried many prescriptions and various kinds of medicine, but received little or no benefit from them. I seldom had a sound night's sleep, my rest being broken at intervals throughout the night. I had pains in my back and burning sensations.

"I heard so much of Mr. Cooper that I came to the conclusion he might be able to afford me some relief. I have now been taking the medicine about a week, and feel better in every way. The pain has disappeared, and I have no distress whatever. I have come here today to express my appreciation to Mr. Cooper for his wonderful medicine and what it has done in my case. I will take pleasure in recommending it to others.

"In spite of assertions by various physicians that Cooper is a fad who will soon die out, the young man seems to be gaining even greater headway as his visit draws to a close."

The agency for Cooper's celebrated medicines has been given to us. We are making a fine record with them.

—J. D. Murray.

## Eggs For Hatching

## OR One-Day-Old Chicks

Single Comb White Leghorns & Barred Plymouth Rocks

20 PENS That Will Do You Good To Look At.

Having received two new incubators gives us room now for 1000 eggs each hatch.

We Guarantee Good Strong Chicks

By buying chicks you get just what you pay for—no loss in bad eggs—chicks dead in shell—broken eggs or hen leaving nest and spoiling them all. Then your chicks are FREE FROM LICE, and we have not had a single case of gaps since we have been in the business. To get eggs in winter we find by experience (as well as rearing up the matter), that we must have Pullets hatched at the proper time to start laying in the fall and will then lay all winter. Old hens do not recover from the molting period before cold weather sets in, consequently do not lay till towards spring when price is down. Place your order with us soon as we have orders now (Feb. 25), unsolicited, for 1000 chicks and numerous orders for eggs and may have to disappoint you if order is placed late. REMEMBER your chicks or eggs will be from a fine laying strain as our winter egg record will show and free from disease of any kind, never having had any disease in our buildings. Come and see us if you can or write or telephone.
