Iowa Farmer Reports.

Samuel Condo, of Birmingham, Iowa, under date of March 30, writes the Reporter thus: "Farmers have their oats in and are plowing for corn. Many people have made garden during the past two weeks. The winter was mild, and little ice was put up because of the difficulty to get it. "I have been suffering from rheumatism for some time in my arm. Having sold my large farm, I purchased a small farm a mile from town, where I am now living."

J. D. Murray Successful.

After a great deal of effort and correspondence, J. D. Murray, the popular druggist, has succeeded in getting the Dr. Howard Co. in making special half-price introductory offer on the regular fifty-cent size of their celebrated specific for the cure of constipation and dyspepsia.

Dr. Howard's specific has been so remarkably successful in curing constipation, dyspepsia and all liver troubles that Mr. Murray is willing to return the price paid in every case it does not give relief.

Headaches, coated tongue, dizziness, gas on stomach, specks before the eyes, constipation, and all forms of liver and stomach trouble are soon cured by this scientific medicine.

So great is the demand for this specific that Mr. Murray has been able to secure only a limited supply, and every one who is troubled with dyspepsia, constipation or liver trouble should call on him at once, or send 25 cents, and get sixty doses of the best medicine ever made, on this special half-price offer with his personal guarantee to refund the money if it does not cure.

If you want an opportunity to vote for or against Local Option in Centre County, select as your candidate, either a Republican or Democrat, who aside from his promise to favor a Local Option Measure, has character. It is the character in the man that counts in this deal. The before election promise is easy to make, but it requires a life-time to build up a character.

Keep in mind that the polls on primary election day Saturday, April 11th will be open from two until eight o'clock. Every voting place in the county will be open during those hours. And remember, there will be no caucuses; no county conventions.
