TWO AUTOISTS KILLED.

Machine Turns Turtle In Creek And Then Explodes.

Plattsburg, N. Y. (Special) .-- J. E. Dodge, of Malden, Mass., and Lockwood Reed, of Port Henry, N. Y., were killed in a shocking automobile accident six miles west of Port Henry. R. E. Titus, of Syracuse, who was also in the car. was thrown in the bed of a creek and escaped injury.

The men, who had been to Port Henry for provisions, were returning to their summer camp. Mr. Dodge, the owner of the car, was driving and in some manner lost control of the machine.

The car dashed into a brook and, turning turtle, pinned Dodge and Reed underneath. Instantly there was an explosion and the car took fire, burning the victims beyond recognition.

Dr. Mitchell President.

Columbia, S. C. (Special) .- Dr. S. C. Mitchell, head of the department of history at Richmond College, Va., was elected president of the University of South Carolina, vice Major Benjamin Sloan, resigned. Dr. Mitchell has made engagements to all the men had returned to work. lecture at Brown and Harvard Universities during the coming session. and this will prevent his entering upon his duties here at the coming session.

Killed By Third Rail.

Mays Landing, N. J. (Special) .--Frederick Moore, aged about 25 years, a well-known young man of this place, was killed by coming in contact with the third rail. He was in the act of crossing the tracks when, it supposed, he stumbled and fell. His breast rested on the running rail and his legs across the deadly third rail. He was badly burned. His body was discovered by the section men, and it was removed to the station.

Kills His Wife.

Toledo, O. (Special) .--- Returning to his wife's home after an absence of 16 years, Louis Armour, aged 50, murdered the woman, fired a bullet at his daughter and tried to commit. suicide. The revolver failing him, Armour disappeared and is now being sought by a posse of police and Jealousy because of the citizens. success of his family and the refusal of his wife to take him back to her the shooting.

Jealousy Causes Murder.

Louisville, Ky. (Special) .- Arthur W. Kraft, aged 22 years, an optician, was shot and instantly killed and his wife, Mrs. Pearl Laval Kraft, aged 20 years, was probably fatally wounded by Philip Hans, Jr., aged 22. Insane jealousy is said to have prompted the crime.

Indict Mail-Order Houses.

Chicago (Special). - The federal grand jury adjourned after having turned indictments against 29 mailorder houses whose alleged illegal profits are said to have been between four and five millions of dollars. The charge is using the mails to defraud.

Tramps Kill Officer.

Middletown, N. Y. (Special) .- In hand-to-hand battle with a gang of tramps whom the police were attempting to arrest Charles Kane, who had been called upon by the police to assist them, was so severly beaten that he died a few minutes later. The tramps escaped.

Killed By Explosion.

Kings Mills, O. (Special). - One man was killed and another fatally injured in an explosion which demolished one of the big powder mills here. The explosion came just at the close of the dinner hour before

Fatal Texas Shooting.

Fort Worth, Tex. (Special) .- E. C. Gaines shot and probably fatally wounded J. W. Reese on the streets of Comache, 30 miles south of here. The men are opposing Democratic candidates for representatives in the State legislature.

Humane Society Founder Dies,

Chicago (Special) .--- John G. Shortall, founder of the American Humane Association, died at his home, in Winnetka, aged 70 years. He presided over the Humane Congress at the World's Columbian Exposition in 1893.

Plan Vast System.

Denver, Col. (Special) .--- Amalgamation of the 16,000 miles of Harriman lines into a single system, in a practical if not a technical sense, s the object of a conference of the chief engineers of all the Harriman roads, who have assembled in this Chairman Isaacs, consulting city. engineer, presided at the session, at which questions relating to the standardization of all the equipment on the various lines so as to procure home are attributed as the cause for more improved service at less cost were discussed.

TAX ON CUPID.

New Jersey Education Board Fixes Novel Rule For Girl Graduates. Montclair, N. J. (Special) .- The State Board of Education has put a dor, on the steamer Roosevelt Montax on Cupid by demanding that the day. young women who are graduated from the new normal school that is to open here on September 15 shall teach in the state schools for two years afterward or refund the cost

of their education. The tuition at the school will be free, but the state wants to derive some results from the benefits it bestows gratuitously. The rule applies to the male students, too, but its provisions the especially intended to offset the desertions from the teachers' ranks because of matrimonial alliances.

Upon entering the school the pupils must sign a declaration to the effect that they will adhere to the rule

BISHOP POTTER DEAD.

Was Unconscious When The End Came.

Cooperstown, N. Y. (Special) .-Henry Codman Potter, seventh Protestant Episcopal Bishop of the Diocese of New York, died at Fernleigh, his summer home, here, after an illness of several weeks.

The bishop was unconscious all day and the end, which came at

8.35 o'clock P. M., was peaceful and quiet. He was 74 years old. Gathered at the bedside of the dying churchman were Mrs. Potter, wife of the prelate; Mrs. Mason C. Davidge, who came from California. and Miss Sarah Potter, his two

daughters; Alonzo Potter, his son; Edward S. Clark, Stephen C. Clark and Mr. and Mrs. F. A. Clark. Death was due primarily to embolism in the right leg, following a long attack of liver and stomach trouble, and the end had been forseen for several days by the Bishop's

prentices, 1,200 strong, who will form, in part, the crews of the nation's war fleets in the future, and the dignity of those impressive ceremonies which mark official events of the navy and of the army

By only one social affair was the span of ceremony relieved, and that was the reception which attended the luncheon at the home of Rear-Admiral John P. Merrell, president. of the Naval War College. In this reception Mrs. Roosevelt and Mr. and Mrs. Emlen Roosevelt, relatives of the President, participated. The President's reference in his

speech to the imperative need of a fighting navy" as a factor in regulating immigration was interpreted as having a veiled pointing to Japan and the possibilities of trouble with that nation. His hearers recalled the charge uttered by Richmond P. Hobson before the Democratic National Philadelphia (Special) .-- Through Convention that the President had personally expressed to him his belief that hostilities with Japan would develop at an early period. This warning, thus interpreted, struck probably the most interesting note of the day.

Travelers Can't Drink.

New Orleans, La. (Special) .--voted Christians among our Chinese Drinking, even out of one's own flask, on passenger trains in Louisiana conhas left in his will a large sum of stitutes a misdemeanor, punishable money for the purpose of erecting a by a fine or imprisonment, or both, according to the new state law which went into effect Monday. This act makes it unlawful to drink intoxicating liquors of any kind in or upon any passenger train, or coach, or ed her twin daughters-Edna and closet, or vestibule, or platform, except in case of actual sickness.

FINANCIAL

W. E. Corey says the steel trade will ne normal by next Spring.

Harold M. Peirson has been admitted to membership on the Philadelphia Stock Exchange.

Speaking of wheat, William L Bear & Co. say: "The demand for it is the best in years."

Measured by their dividends. Southern Pacific at 93 and Union Pacific at 155 are on a parity.

Wheat and corn advanced, but this didn't seem to affect stock prices adversely. Grain bulls are taking 'dollar wheat.'

Pennsylvania Railroad officials say they have ordered no new cars, as reported from the West. They will not order any, so long as they have so many idle ones. It is also understood that no steel rail orders for this year will be placed.

Interest and dividend disbursements in the United States during August will amount to about \$60,-000,000, compared with \$67,000,-000 in August, 1907. A number of Philadelphia corporations make their dividend on interest payments in August and these will distribute nearly \$5.000.000.
