## U. S. BATTLESHIPS MAY HANG SIX

Emory,

Amoy (By Cable) .- Eight battleships comprising the second squadron of the American Atlantic fleet, under command of Rear Admiral William H. Emory, arrived here Friday morning after an uneventful voyage from Yokohama. To the Chinese the visit of the Americans is of far-reaching importance and every perparation has been made not to extend to the representatives of the United States a flattering welcome, but to impress upon them China's desire for even more cordial relations with the republic than have prevailed hitherto.

The selection of Amoy as a port of call is in accordance with the program decided upon at Washington when it was determined that the fleet should return to America via the Suez Canal. The 16 ships of the fleet left Yokohama together on Sunday morning, but divided into two squadrons when two days out, the first, under command of Rear Admiral Sperry, on the flagship Connecticut, heading for Olongapo, Philippine Islands, and the second, under Rear Admiral Emory, on the Louisiana, bound for Amoy. The two squadrons will join forces again at Manila, the second division being scheduled to leave this port November 4 and to arrive at Manila

on November 7, China will welcome her American visitors with unbounded enthusiasm. plete and Chinamen of exalted rank China is struggling to preserve the Manchuria from the encroachments of Russia and Japan, and the presence of these American battleships stop in Boston necessary.
