A Nebr. woman has outilned the
prize food tin a few words, and tha
from personal experience shewritesmost continually for seven years.
"We sonuetimes tried other adver
tived breakfast foods, but we invaria
bly returned to Grape-Nuts as the most palatable, economical and nour
ishhng of all.
"When I quit tea and coffee and
began to use Postum and Grape-Nuts
I was a nervous wreck. I was so ir

Atter using Grape-Nuts a shor time I began to improve and all these
allments have disappeared, and now
am a well woman. My two chlidre am a well woman. My two chlldren
have been almost ratee on Grape
Nuts, which f they eat three times
day. day. They are pletures of health an
have never had the least symptom o stomach trouble, even through th
most severe siege of whoopfing coug most severe siege of whooping colth
