The Weather Man.

During the past week there was the usual all kinds of weather. March 4th there was the blizzard with its eight inches of snow, making sixty-three one hundredth inches of water. Friday was a continuation of the storm, but no snow fall. The temperature was between the points 32 and 14. The roads were badly drifted, being the first drifts of any character during the winter. Saturday it was cloudy, with a temperature ranging from 11 to 36. Sunday morning there was a trace of snow, the temperature being considerable higher than 35.

The roads are in horrible condition, but that doesn't keep people from attending sales.

Rev. J. R. Sechrist, who was pastor of the United Evangelical church for four years, has been transferred by the conference to Bellwood, near Altoona. His successor is Rev. S. A. Snyder, of Liebersburg.

COURT NEWS.

Miles Township and Phillipsburg Cases Close the February Session.

Harter vs. Hough. This case grows out of a dispute as to one of the lines of the John Snell warrant and survey and the William P. Brady warrant and survey, both tracts being located in Miles township. The plaintiff claiming a certain position for the Snell line, and the defendant claiming it is otherwise located upon the ground. According to the plaintiff's testimony it appears that the Snell warrant was surveyed in 1788, and the Brady in 1794, but the survey of the Snell warrant was not returned to the Land Office until about the time that the survey of the Brady warrant was returned, and the patents for both tracts were by the Land Office about the same time. The plaintiff bought the timber from the Stover heirs by an article of agreement, claiming it to be on the Snell, the defendant cutting timber claiming to be on the Brady, but the same timber which the plaintiff had bought from the Stover estate. The plaintiff then brought action for treble damages for the timber cut by the defendant. The case went to the jury, who returned a verdict in favor of the plaintiff for \$244 single damages, subject to the questions of the law reserved by the court whether or not the plaintiff could recover under the pleadings in the case.

Walter C. Stephens, Executor of etc. of O. L. Schoonover, deceased, vs. Sadie Davis. This is an action brought to recover a house and lot in the borough of Phillipsburg, and the title of which according to the deed was in the decedent. The defense is that the plaintiff did buy the house and lot but that he bought it for the defendant and put the defendant in possession where she has been ever since the purchase of the premises, and that the premises were a gift to her, and that the title had never been transferred to her owing to the sudden death of the decedent, the decedent having died at her place. The case is a question of law and the jury rendered a verdict in favor of the defendant, subject to the questions of law reserved on Friday evening.
Court adjourned Friday evening about eight o'clock.

State Telephones.

A bill to have the state of Pennsylvania go into the telephone business was presented by Representative Hugh W. Ramsey, of York, in the House at Harrisburg last week. It carries an appropriation of half a million dollars and will have the telephones from a central exchange to be located either in the capitol or in some other building in that city where the state telephone exchange is to be established under the direction of the state electrical engineer, who is to be paid \$3,000 per year.

The plan for starting the state in the business is unique. The school directors of any district are empowered upon petition of twenty-five property owners of a ward, borough, township or district to establish a telephone exchange, the subscribers to pay for their own installation. Then they are to levy a telephone tax of five mills to be collected the same as the building tax. Where a city has two or more ward exchanges or a county more than two local exchanges they are to get together and build a county or city exchange on plans to be approved by the state, which is to give aid for such construction. These county exchanges are to be connected with the state exchange. Messages from local exchanges to county exchanges are to be charged for at the rate of five cents and from county exchanges to state exchanges at ten cents. The subscribers are to have free service otherwise. Where the state is petitioned for aid to build exchanges it will be apportioned by the state engineer.

William Fleisher Hurt.

The Lewistown Democrat and Sentinel has this to say of William Fleisher, who is a son of Thomas Fleisher, of Colyer:

William Fleisher, the Mann avenue tea agent, met with an accident Friday evening. He hooked up his horse in a wagon to go down to a stable in Yeagerstown where he has hay stored and, while leading his horse, it became unmanageable and tore loose from him, the wagon passing over Mr. Fleisher's chest. He was picked up and carried into his house and a physician summoned, when it was found that one rib was fractured and his body badly bruised. The horse ran out the avenue for some distance when the wagon caught on a board fence where the animal freed himself from the wagon. He then ran on down the pike where he was captured shortly afterwards and brought back. Mr. Fleisher had purchased the animal only a few days ago from Jerome Auman, near Old Fort.

Judge Bell on Remonstrance.

To a delegation of one hundred ministers from Blair county who called on Judge Martin Bell to ascertain his position on the license question, the Judge concluded his statements with the declaration that—
If the majority of the voters in a borough or township remonstrated against a license he would administer judicial local option and refuse a license.

NEW CHURCH DEDICATED.

The First Reformed Church of Howard Dedicated on Sunday.

The newly erected Reformed church at Howard, was formally dedicated Sunday morning. The opening service in the new church was held Saturday evening, when Rev. Frank Wetzel, of Rebersburg, preached the first sermon.

The building, furnished, cost \$4800—Memorial windows, pulpit furniture, Communion Service, Bible. Plates for the offerings, etc., were special gifts. A balance of \$1225 was needed to dedicate the church free of debt. Rev. Dr. Schmidt took charge of the raising of the amount needed. At the morning service \$1035 were secured, and the church was then formally dedicated by the pastor, to the worship of the Triune God.
