Commencement Exercises.

The exercises incident to the graduation of eight members of the Centre Hall High School will be held Wednesday and Thursday evenings, May 12th and 13th, in Grauge Arcadia. Wednesday will be class day, and in the evening a play will be rendered by the class, and Thursday evening will be the time for the graduation exercises proper.

Prof. P. H. Meyer will have the music in charge, and he has secured the Christie Smith orchestra to assist local talent. The exercises throughout promise to be creditable.

Rev. Aikens Resigns.

Rev. C. T. Aikens tendered his resignation as president of Susquehanna University, at Selinsgrove, to take effect at the close of the present school year. Rev. Aikens is well known in this vicinity, having been pastor of the Lutheran church at Pine Grove Mills for a number of years, which pastorate he resigned about two years ago to accept the presidency of Susquehanna University. The work has, however, been found too arduous, and for the sake of his health he has decided to give it up. It is thought that Rev. Aikens will take up his residence at State College for the present, where he has a number of business interests.

Just a Mite.

A mite is being asked from the rank and file in Centre Hall as a contribution toward the Bellefonte Hospital ambulance fund. The ambulance will cost something like \$500, but it will be mighty fine to carry the unfortunate to the hospital. Every quarter dollar counts, and there is no telling but that you will be the next to knock at the hospital door for admittance, so chip in and help swell the fund.

Spring Township Buys Poor Farm.

The supervisors of Spring township purchased the Thomas Jodon farm, at Axe Mann, from George Tibbens, and will use the same for a township poor farm. Mr. Tibbens just purchased the farm last spring. It is a good location. The township poor farm is becoming more popular than ever by the tax payers who have an eye to economy.

Mrs. J. H. Meyer, of Boalsburg, last week made a trip to Bellefonte and other nearby points, visiting the families of H. K. Hoy, J. H. Fishburn and George Tibbens. Mrs. Meyer is always a welcome visitor among her many friends, and in her presence time never drags.

The Weather Man.

During the day and night there were vivid flashes of lightning and heavy thunder claps. There were slight rains during Friday.
