Just a word about shoes: We have a full line of Walkover and Wisconsin Walking shoes. None better. These shoes are worth more than the money we ask for them. Come to see us—Harry Witten & Company.

Farmer D. K. Keller sold his fat steers to a Lock Haven butcher, and got the top price of six cents per pound. The sale at that price also includes a bull whose weight is judged to be fifteen hundred pounds.

The stove and saw mill of E. E. Herliacher, located three miles south of Loganton, was recently burned at night. The saw mill had not been in operation the previous day, making the fire of a mysterious character. The loss is about \$2000. No insurance.

Capt. G. M. Boal is having a hay barn, 38x50 feet, erected on his farm, west of Old Fort. This indicates that crops are increasing under the good farming of his tenant, Richard Brooks. The carpenter work for the structure is being done by John D. Lucas and his force of workmen.

The dwelling house of D. M. Campbell, of near Linden Hall, came very near being destroyed by fire Sunday morning. As it was about ten square feet of the roof was burned. The fire originated from a spark from the chimney, and was blazing away when the flames were observed by David Snyder, a neighbor, who called Mr. Campbell up on the telephone and apprised him of the fact that his house was on fire. It was only a short time until a number of men gathered, and the flames were then quickly subdued.

Mrs. John Kremer, of Centre Hall, is at the Bellefonte hospital in a rather serious condition. Some months ago she was operated on in that institution, and later growths developed where the openings had been made, and it was to remove these growths that the second operation became necessary. While this operation was in progress, the patient became too weak to continue it to completion, and the surgeons were obliged to temporarily close the wound and await a time when she could withstand the strain.

The resourcefulness of farmer W. R. Neff, of near Tusseyville, will enable him to keep his butter, cream, etc., cool this summer while others are lamenting because there was no ice to be hauled. Mr. Neff, like many others, expected "colder weather later on," and when the first ice formed permitted it to pass down the creek, but when the March snow banks were well settled he went to work with axe and shovel. The solid snow banks were cut into cubes, and carefully hauled and stored away the same as though it was ice, and now he has a good substitute for that product.

Linden Hall.

Thousands Have Kidney Trouble and Never Suspect it.

How To Find Out. Fill a bottle or common glass with your water and let it stand twenty-four hours; a brick dust sediment, or settling, stringy or milky appearance often indicates an unhealthy condition of the kidneys; too frequent desire to pass it or pain in the back are also symptoms that tell you the kidneys and bladder are out of order and need attention.

What To Do. There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills almost every wish in correcting rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. Corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of Swamp-Root is soon realized. It stands the highest because of its remarkable health restoring properties. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. Mention this paper and remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
