done nothing to prevent the collision. The accident occurred on a straight track

G. A. Schimmel, motorman of the westbound car, said that his was Admiral Schroeder Wants Them Barat a full stop when the eastbound car struck it. He added:

"My car was nearing Dune Park when I saw the headlight of the Cigarette smoking by the enlisted eastbound train flashing in the dis- men of the United States Navy should tance. The train had been ordered be discouraged as much as possible to wait for my car at Wilson, some distance west of Dune Park. I realized at once that the motorman of ton Schroeder, commander in chief the car had overlooked his orders. I put on the brakes and brought my car to a stop, while the eastbound placed on the habit and has recomcar kept rushing toward me. tried to back my car, but the air- that no cigarettes be sold at the brakes did not release the wheels ship's store on any of the vessels unand I could not move before the der his command. It is probable that crash came."

Superintendent Welsh, of the Interurban line, was in Michigan City when the accident occurred, but it was impossible to run electric cars to the scene because the trolley wires had been broken. Three physicians were sent in a gasoline traction ships of the Navy. He believes that speeder and three more dispatched in an automobile. When the physicians reached the scene they found their efficiency for duty. scores of farmers and villagers rushing about endeavoring to care for the wounded and to extricate the dead and dying by the light of a few Many of the wounded were pinioned in the wreckage so that it was necessary to use axes.

Officers of the Lake Shore and doctors and nurses at South Bend and Laporte and put them off at Dune Park. Similar instructions given an eastbound train, which brought assistance from Whiting and Indiana Harbor. The New York and Boston fast express of the Lake Shore and Michigan Southern Railroad stopped at Dune Park were carried to South Bend and Laporte and placed in hospitals.

One of the heroes of the wreck was C. A. Simmons, of Benton Harbor, Mich. He lost consciousness immediately after the collision. When he recovered his senses he was lying in the sand near a ditch. Both of his legs were broken, but Dr. Axe. of Michigan City, reached him and tendered surgical aid, he refused it, instructing the physician to give his time to others more seriously injured

"My legs are broken," he said. "but my head is all right and I guess I can stand it for a while."
