Marlin Big Game Repeating Rifles. The great thing in big game rifles is sureness to work under all conditions. Marlin rifles are built with this idea foremost. The mechanism is simple, strong, perfectly adjusted, quick and easy in operation. The Marlin solid top and side ejector keep a protecting wall of metal between your head and the cartridge, prevent powder and gases blowing back, throw the shells away from you and allow instant, accurate, effective repeat shots. The Special Smokeless Steel barrels are hard and strong, specially made for high power cartridges and to resist the wear of jacketed bullets. They are rifled deep on the Ballard system for greatest accuracy and killing power. Made in Models 33 and 35, calibres 25 to 45, and fully described and illustrated with all other Marlin repeaters in our 1909 page catalog. Free for 3 stamps postage. The Marlin Firearms Co., 42 Willow Street, NEW HAVEN, CONN.
