DEAD IN EACH OTHER'S ARMS Fire Starts in Congressman's Home at Butler, Mo.

Butler, Mo. (Special) .- Representative David A. De Armond, one of the leading Democrats in Congress, and his grandson, Monte De Armond, were burned to death in Mr. De Armond's home here. Neither body has been recovered, and it is feared they have been cremated.

The fire was discovered at 3 An Arriving Steamer Make No o'clock A. M., when Mrs. De Armond rushed from the house in her night icans For Reufusing To Contribute revived, it was some time before she could tell what had happened.

The first she knew of the fire, she San Francisco (Special). - The said, was when she heard her granda second floor room in the corner of The room was chilly and De Armond Corinto was under a heavy guard and his grandson had taken a hot while the City of Para was there, brick to their room and placed it under the covers to warm the bed It is supposed the brick was so hot that it set the bed clothing afire.

When Mrs. De Armond heard Monte scream she rushed toward the boy. She has been in ill-health and was not strong enough to make her way against the flames and smoke. heard her scream and ran to aid her

Mrs. De Armond, when both found it was impossible to enter the room, ran to get help. Just as she stepped out of the house she fainted. Mrs. Clarke still endeavored to reach her helpless father. It was not until she had been severely burned that she gave up her effort.

James De Armond, a son of the Congressman, who lives across the street, attempted to enter the house to save his father, but was restrained by his wife and neighbors, who saw it meant certain death.

The house was a two-story frame structure and was in ashes in 16 minutes after the fire was discovered. A woman servant escaped unhart.

SLEEPER TRUNK FRAUDS False Bottoms in Tranks To Evade Duties.

Washington, D. C. (Special) .-Institution of criminal prosecutions against perpetrators of trunk" customs frauds with ramifications in all parts of the country; the pressing of existing indistments to avoid lapses under the statute of limitations and the customs investigation generally were discussed at a conference at the Treasury Department. Secretary of the Treasury MacVeagh, Attorney General Wickersham, Collector Loeb, of the port of New York, and United States District Attorney Henry A. Wise, of the Southern District of New York,

participated Incidentally Secretary MacVeagh announced that the \$2,000,000 which the American Sugar Refining Commen employed at the Butler plants pany had paid over to the government on account of evasion of duties was regarded by the government as a complete settlement for all its underweighing frauds, but that amount affected no other evasions of duty the men. There have been received and in nowise figured as to any other matters, and that the government purposed to recover much more money as the result of the frauds the socalled trust has committed.

The conference lasted over two and a half hours. At the conclusion Secretary MacVeagh smilingly referred to the sugar frauds overshadowing in interest one of the most important phases of the whole investigation, the commission of frauds by importers bringing in the trunks with false bottoms, involving losses to the government of millions of dollars. Collector Loeb explained that where this had been possible in the past, rules had been adopted under the present regime which would preclude any such frauds in the future.

The sleeper trunk frauds, whereby goods are brought into this country in trunks with false bottoms to deceive the inspectors, stretch many parts of the United States. though passing only through the port of New York in the cases about to be prosecuted.
