CHARGE RODRIGUES CETS HIS PASSPORTS

of Americans.

The Secretary Of State Sends A America-Will Hold Both Factions To Accountability.

Washington, D. C. (Special) .-Secretary of State Knox returned brought by executive action without the passports of Felipe Rodriguez, a definite declaration by both houses charge d'affaires of the Nicaraguan of Congress. Legation, with a letter scathingly denouncing the Zelayan administration of the government of Nicaragua. The letter is definitely declared to represent the views of President Taft, and is about as plain-spoken as anything emanating from the entirely dominated by Zelaya, Mexi-State Department in many years.

The extraordinary feature of the in order that the general strike, ed in the following brief statement, an intention on the part of the Uni-when called, may be unanimous and issued from the offices of Morgan & an intention on the part of the Uni-ted States to hold Presilent Zelaya personally responsible for the alleged torture and execution of the Americans, Cannon and Groce, and been occupying the legation in Manaowned by Thomas F. Ryan, This exhibits the unique situation of one gua, together with other consuls in government holding the chief executive of another practically as a common malefactor. Zelaya is branded procedure in case of such action beas a violator of solemn international tween governments.

conventions, a disturber of the national and international peace, a tyrant whose administration has been a blot upon the name of good government.

Secretary Knox vitually anounces the recognition of the Nicaraguan revolutionists, declares it to be the

conviction of the United States that the revolution represents the sentiments of a majority of the Nicara-guan people, and that there is evidently no responsible government with which the United States can deal. He, therefore, announces that Vigorous Note To Nicaragua's all parties will be held accountable Official Representative Severing for their actions as affecting the in-Diplomatic Relations With That Central America. He further informs terests of Americans and the peace of Country-Declares Zelaya's Re- Senor Rodriguez that while he has gime A Blot Upon Nicaragua's lost his diplomatic quality, he may History And A Menace To Central still serve as an "unofficial" channel of communication with the faction which he is regarded as representing.

This brings the crisis as near to the status of war as it could be

Mr. Knox's letter in all but so many words makes it plain that the action represents the wish and attitude of all of the Central American States with the single exception of Honduras, which is regarded here as co has all along shown its sympathy

with the United States in this matter. Just what status the consular representatives of the United States in Nicaragua now enjoy it not definitely explained. It is expected, however, that Vice Consul Caldera, who has that country, will be given their passports. This is the usual method of
