A WOMAN DOCTOR Was Quick to See That Coffee Was Doing the Mischief.

A lady tells of a bad case of coffee poisoning, and tells it in a way so simple and straightforward that literary skill could not improve it.

"I had neuralgic headaches for 12 years," she says, "and suffered untold agony. When I first began to have them I weighed 140 pounds, but they brought me down to 110. I went to many doctors and they gave me only temporary relief. So I suffered on, till one day a woman doctor told me to use Postum. She said I looked like ! was coffee poisoned.

"So I began to drink Postum and I gained 15 pounds in the first few weeks and continued to gain, but not so fast as at first. My headaches began to leave me after I had used Postum about two weeks-long enough to get the coffee poison out of my sys-

"Since I began to use Postum I can gladly say that I never know what a neuralgic headache is like any more. and it was nothing but Postum that made me well. Before I used Postum I never went out alone: I would get bewildered and would not know which way to turn. Now I go alone and my head is as clear as a bell. My brain and nerves are stronger than they have been for years."

BACKACHE-A SIGNAL OF DISTRESS

A WARNING THAT MUST NOT BE IGNORED

Pain in the back is the kidneys' signal of distress. If this timely warning is ignored, kidney disease silently fastens its deadly grip--for kidney sickness first shows itself in pains and disorders in other parts, and the real cause is too often hidden until fatal Bright's disease or diabetes has set in. Suspect the kidneys if you are rheumatic and nervous or have lame back, painful, too frequent or scanty urination, weak heart, dizzy spells, headaches, bloating or neuralgia. What you want is a special kidney medicine--not an experiment, but one that has stood the test for years. Doan's Kidney Pills relieve weak, congested kidneys-cure backache--regulate the urine.

A KIDNEY REMEDY OF 75 YEARS' EXPERIEN

DOAN'S KIDNEY PILLS began curing lame backs and sick kidneys 75 years ago. The demand lead a nearby druggist, James Doan, to prepare it for sale. From him the magic formula passed to the present proprietors. Now, as in those early days, Doan's Kidney Pills are made from only the purest drugs and are absolutely non-poisonous. They are used and praised all over the civilized world.

DOAN'S KIDNEY PILLS MAKE LASTING CURES

C. P. Bartling, 136 Middle St., New Bern, N. C., says: "For some time I suffered from a severe case of kidney complaint. I had dull, grinding backaches and pains across my loins, and felt miserable in every way. Often I was in such a condition that I could not attend to my work. The kidney secretions were irregular in passage and unnatural, plainly showing that my kidneys were not performing their functions properly. Learning of Doan's Kidney Pills, I decided to try them and procured a box at Bradham's Drug Store. I began their use as directed and in a short time they effected a complete cure." (Statement given Apr. 2, 1903.)

On Jan. 25, 1908, Mr. Bartling said: "I gave statement publicly recommending Doan's Kidney Pills in 1903 and at this time I gladly confirm all I then said. I have had no trouble from my kidneys since this remedy cured me."

Mrs. Henry Sykes, Field St., Naugatuck, Conn., says: "Doan's Kidney Pills benefited me greatly and I am glad to recommend them. For some time and I am glad to recommend them. For some time I suffered from a dull, heavy ache across the small of my back and kidneys. My back ached constantly and if I stood in one position for any length of lime, or did much stooping, my suffering was greatly intensified. Going up or down stairs also aggravated my trouble. Learning of Doan's Kidney Pills, I procured a box at Breman's Drug Store, and began their use. The symptoms of my trouble began to disappear immediately and it was but a short time when I was free from kidney complaint. No words can express my high opinion of Doan's Kidney Pills." (Statement given in 1899.) On Oct. 4, 1908, Mrs. Sykes said: "The statement I gave some years ago in favor of Doan's Kidney Pills was correct. Doan's Kidney Pills cured me of kidney disease and I have had praetically no trouble from my kidneys since." tically no trouble from my kidneys since.

with a terrible eczema, being a mass of sores from head to feet and for six weeks confined to my bed. During that time I suffered continual torture from itching and burning. After being given up by my doctor I was advised to try Cuticura Remedies. After the first bath with Cuticura Soap and application of Cuticura Ointment I enjoyed the first good sleep during my entire illness. I also used Cuticura Resolvent and the treatment was continued for about three weeks. At the end of that time I was able to be about the house, entirely cured, and have felt no ill effects since.
