

The Tenderfoot Farmer

It was one of these experimental farmers, who put green spectacles on his cow and fed her shavings. His theory was that it didn't matter what the cow ate so long as she was fed. The questions of difestion and neurishment had

not entered into his calculations.

It's only a "tenderfoot" farmer that would try such an experiment with a cow. But many a farmer feeds himings for all the good he gets out of his food. The result is that the stomach grows "weak" the action of the organs of digestion and nutrition are impaired and the man suffers the miseries of dyspopsia and the agonies of nervousness.

To strongthen the stomach, restore the activity of the ergans of digestion and nutrition and brace up the nerves, use Dr. Pierce's Golden Medical Discovery. It is on was falling remody, and has the confidence of physicians as well as the praise of thousands healed by its use.

In the strictest coase "Golden Medical Discovery" is a temperance medicine. It contains neither intoxicants nor narcotics, and is as free from alcohol as from opium, cecaine and other dangerous drugs. All ingredients printed on

Professor Munyon has just assued a most beautiful, useful and complete almanae, It contains not only all the scientific information concerning the moon's phases, in all the latitudes, but has illustrated articles on how to read character by phrenology, palmistry and birth month. It also tells all about card reading, birth stones and their meaning, and gives the interpretation their meaning, and gives the interpretation of dreams. It teaches beauty culture, manicuring, gives weights and measures and antidotes for poison. In fact, it is a Magazine Almanac, that not only gives valuable information, but will afford much amusement for every member of the family, expecially for parties and evening entertainments. Farmers and people in the rural districts will find this Almanac almost invaluable.

It will be sent to anyone absolutely free on application to the Munyon Remedy Company, Philadelphia, Pa.

If you had positive proof that a certain remedy for female ills had made many remarkable cures, would you not feel like trying it?

If during the last thirty years we have not succeeded in convincing every fair-minded woman that Lydia E. Pinkham's Vegetable Compound has cured thousands and thousands of women of the ills peculiar to their sex, then we long for an opportunity to do so by direct correspondence. Meanwhile read the following letters which we guarantee to be genuine and truthful.

Hudson, Ohlo.-"I suffered for a long time from a weakness, inflammation, dreadful pains each month and suppression. I had been doctoring and receiving only temporary relief, when a friend advised me to take Lydia E. Pinkham's Vegetable Compound. I did so, and wrote to you for advice. I have faithfully followed your directions and now, after taking only five bottles of the Vegetable Compound, I have every reason to believe I are a well woman. I give you full permission to use my testimonial -Mrs. Lena Carmocino, Hudson, Ohio. R. F. D. No. 7.

St. Regis Falls, N. Y.—"Two years ago I was so bad that I had to take to my bed every month, and it would last from two to three weeks. I wrote to you for advice and took Lydia E. Pinlaham's Vegetable Compound in dry form. I am happy to say that I am cured, thanks to your medicine and good advice. You may use my letter for the good of others." - Mrs. J. H. Breyere, St. Regis Falls, N. Y. There is absolutely no doubt about the

ability of this grand old remedy, made the roots and herbs of our fields, to cur female diseases. We possess volumes of proof of this fact, enough to convince the most skeptical.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit. Mrs. Pinkham invites all sick women
