No Man is Stronger Than His Stomach

s rong who is suffering from weak stomach with its consequent indigestion, or from some other disease of the stomach and its associated organs, which im-pairs digestion and nutrition. For when the stomach is weak or diseased there is a loss of the nutrition contained in food, which is the source of all physical strength. When a man "doesn't feel just right," when he doesn't sleep well, has an uncomfortable

feeling in the stomach alter eating, is languid, nervous, irritable and desponde ont, he is losing the nutrition needed to make strength.

Such a man should use Dr. Plerce's Golden Medical Discovery. It cares diseases of the stomach and other organs of digestion and nutrition. It enriches the blood, invigorates the liver, strengthens the kidneys, nourishes the nerves, and so GIVES HEALTH AND STRENGTH TO THE WHOLE BODY.
