LOCALS.
Just another week, then the March sales will be over.

Mrs. Harriet E. McGinley, widow of the late Daniel McGinley, died at the home of her son-in-law, S. D. Ray in Bellefonte.

Martha, wife of Harry Leitzel, died at her home in Millheim, Friday morning, aged forty-nine years, four months, sixteen days. Death was due to a complication of diseases.

Mrs. Leitzel is survived by her husband and mother, Mrs. Felty Breen, of Millheim. Interment was made Wednesday morning, Rev. C. F. Garrett, pastor of the United Evangelical church officiating.

At the advanced age of seventy-four years and one month, Mrs. Lydia Frank died in Aronsburg, Sunday evening, after an illness of ten days with pneumonia. Interment was made at Aronsburg, Wednesday morning, Rev. E. R. M. Sheeder, pastor of the Lutheran church officiating.

Mrs. Frank was the second wife of John Frank, who died some years ago. Her maiden name was Wolf, and she is survived by one sister, Mrs. Shreckengast, of Logan Mills.

Monday morning John Irvin Davis died at his home near Linden Hall. Interment will be made at Centre Hill this (Thursday) morning, services at the house, at nine o'clock, Rev. Harnish, pastor of the Boalsburg Presbyterian church to officiate.

Last fall Mr. Davis suffered a paralytic stroke, which left him in a very weak condition, but he gradually improved so that he was able to feely walk through the house and yard Saturday evening he was in the yard, and fell, and from that time he grew weaker until he died.

Mr. Davis was the son of Thomas Davis, who with his grandfather Guyan Irvin Davis lived where Mr. Davis lived during the greater part of his life and died. One sister, Elizabeth Davis, lived with the deceased and survives him, as does also a brother, James Davis, located in Dakota.

Mr. Davis was of a retired disposition, yet quite fond of company. During the gold excitement in California, he was one to cross the continent to the Pacific coast, but on returning again settled at the Davis home. He was unmarried, and was aged eighty years. He was a member of the Boalsburg Presbyterian church, never having transferred his membership to the Presbyterian church at Centre Hall.

Herman, a Gladiator.
Herman, the Pleasant Gap butcher, purchased three head of fat cattle from Philip Durst, east of Centre Hall, Wednesday of last week, and on reaching the top of Nittany Mountain with his purchases, the animals took fright and ran into the woods to the west of the pike. Two were recaptured the second day, but the remaining one was free the beginning of this week.

In capturing one of the animals, a heifer, Mr. Herman made a narrow escape with his life. The animal chased until she weakened, and on reaching a point on the mountain opposite Martin Keller's, an attempt was made to lasso her, and this maddened her. She made a rush at the butcher, knocking him over. The beast also lost her footing, and half falling plumped the lusty Herman to the rocks with her knees over his lower limbs. The hands of the man were free, and to the right hand a knife was passed by a companion, and in an instant it was plunged into the throat of the bellowing animal. Like a gladiator Mr. Herman sprang to his feet, and received the shouts of praise while the beast lay a helpless mass among the boulders.

The Spring Mills Academy.
The well-known Spring Mills Academy, founded by the late Dr. Wolf, will open this year on April 11th, to continue for a term of eight weeks. The object of the school will be to train teachers for better work in their profession to prepare pupils for college, and to extend to pupils of all grades the opportunity of furthering their education and strengthening themselves in those branches in which they find themselves weak. The school will be under the supervision of Prof. J. Calvin Bright, who, with several able assistants, will be able to impart instruction to all that desire to take advantage of this course. Prof. Bright, a graduate of Franklin and Marshall College, has taught two successive winter terms and conducted a successful summer Normal at Hubersburg.

The terms will be reasonable. Write to Prof. Bright, Hubersburg, Pa., for further information, or call Hoy's store, Hubersburg, by phone.

Easter Cards.
The Easter Cards are now on sale at the Reporter office. The price is three for five cents, or fifteen cents per dozen. Sent by mail in dozen lots, postage paid at this end.

These are the celebrated Davis cards, and are first class. They sell everywhere for five cents, and are really worth that much. The Reporter's large purchase enables the sales to be made at the prices quoted. There are twelve designs. Do not wait to order until a few days before Easter, but order now. These orders cannot be duplicated. Send in order by mail.

Pupils Wanted.
I will open a summer school April 11th, continuing for 10 weeks. Pupils from the A class of the second grade will be received and also grammar grade pupils. Those preparing for the high school will receive special attention. Terms reasonable.

John S. Aman died at the Red Mill Tuesday night. Masonic funeral, Friday morning; interment at Millheim.

At the approaching teachers examination in Centre county, County Superintendent D. O. Eters will require applicants for teachers certificates to know something about scientific farming. The superintendent is anticipating the requirements of teachers in the near future, and by making demands on them now, the subject will be mastered by the time the teaching of agriculture becomes a part of the public school curriculum.

Dr. George P. Bible, lecturer and entertainer, is now making a tour through Iowa, Missouri and Nebraska, and may again go to the Pacific coast. He has spent much of his time during the past two years in the west and south. Dr. Bible is well known here, and on a number of occasions has entertained audiences in Centre Hall, and those who heard him will know why he is able to make such extensive tours.

A county superintendent of schools in Illinois asked every teacher at the county institute who took their local or county paper to hold up their hands, and only a few responded. The superintendent expressed a great surprise, and said: "You don't spend a dollar a year with those papers, yet you expect them to print free of charge, notices of all institutes, long programs, expect them to advertise for you, thus assisting you to climb the ladder to better positions and better salaries without a cent return."

It is a pleasure to note the success of J. C. Burkett, who twenty-five years ago went west from Rebersburg, and finally located permanently at Valley Falls, Kansas, when he became interested in politics and later was elected probate judge in Jefferson county. He is now serving the last year of his second term, and has good reasons for believing his party will nominate him for a third term. Judge Burkett has been in Miles and Holmes townships for several weeks, part of which time was spent with his sister, Mrs. George Haines, in the latter township.

Under present conditions farmers should make an effort to secure the best machinery on the market. When butter was worth ten to fifteen and eighteen cents per pound, there was little loss even if the skimming was not so correct, but now that real butter has become a luxury, no one can afford to produce it and then again lose it by using poor machinery to do the skimming. The Delavan cream separator is always capable of getting the largest amount of cream from the milk, in fact all of it, consequently it is the machine that should be used, and is used most largely.

Harris Township.

Mrs. Ada Charles visited among relatives at Centreville over Sunday.

Mrs. Henrietta Dale and daughter Anna were guests at the double-Banner wedding, at Oak Hall, last Wednesday.

James Thompson, of Centre Furnace, attended to business in this place last week.

Mrs. Bartlett, of Altoona, spent some time during the past two weeks at Boalsburg, showing samples and taking orders for dress goods.

Mrs. Alice Magoffin, who spent part of the winter in Bellefonte, returned to her home in Boalsburg recently.

Mr. and Mrs. Edward Lucas with several of their children spent a day with the latter's parents, Mr. and Mrs. Samuel Grove, at Pine Grove Mills.

Rev. and Mrs. J. I. Stonecipher and Mrs. Ulrich, the mother of Mrs. Stonecipher, returned to their home on Friday afternoon, after a short stay in Selinsgrove, to which place they had accompanied the remains of Mr. Ulrich, who passed from time into the great beyond, after a short illness, at the home of his daughter, where the aged couple had spent the winter.

Mr. Ulrich was about seventy-three years old, and died Friday, 25th ult. The following Monday a short service was held at the parsonage, conducted by Rev. Shultz, of Pine Grove Mills, and Rev. A. A. Black, of Boalsburg. The remaining part of the services were held on Wednesday morning, at Selinsgrove, where interment was made.

Mrs. Ulrich expects to make her home with Mr. and Mrs. Stonecipher, the latter being her only child.
