

THE CENTRE REPORTER.

THURSDAY, MARCH 24, 1910

Low Rates to the West.

Pennsylvania Railroad. Tickets to Rocky Mountains, Pacific Coast, Western Canada, Mexico and South-western points on sale daily until April 15 at reduced rates. Consult nearest Ticket Agent, or E. Yungman, D. T. A., Williamsport, Pa.

Ocker-Haines.

Harry Eugene Ocker and Annie M. Haines, both of Aaronsburg, were married Friday of last week at the Lutheran parsonage, at Aaronsburg, by Rev. B. R. M. Sheder. The young couple on the same day left for Plainfield, Illinois, where Mr. Ocker will be employed.

Boalsburg Normal and Preparatory School.

The school will open April 11th and continue eight weeks. Classes will be formed for teachers and those preparing to teach. Any desiring to pursue the higher branches may do so. Boarding can be had at reasonable rates.

For further information address
E. C. ROTHEROCK, Principal.

Change of Addresses.

Those of the Reporter readers who will change their addresses this spring should send notice to this office at once, stating three things. First, the address at which they are now receiving the papers; second, the new address; and third, when the address should be changed. If the subscribers will follow this rule, they will be sure to receive every issue.

Sale Saturday Evening.

The ladies of the United Evangelical church will hold a sale in Grange Arcadia, Saturday evening, March 26th, at which bonnets, aprons, and dust caps will be sold, and Larkin products will be offered from a "Larkin" booth.

A chicken and noodle soup supper will be served from five o'clock, at "hard times" prices—10 cents for children, and 15 cents for adults.

Ice cream, cake, etc., will also be on sale. Come and bring your friends with you.

LOCALS.

The engagement of George R. Meek and Miss Nelle Valentine has been announced.

Mr. and Mrs. R. D. Foreman and Mrs. D. W. Bradford attended the funeral of Mrs. Harry Leitzel, at Millheim, last week.

Elmer Rossman, of Penns Cave, who is just beginning to farm as well as housekeeping this spring, lost a valuable draft horse a week or more ago.

Robert McClellan and Frank McFarlane, both Harris township farmers, purchased New Idea manure spreaders from Weber brothers, at Centre Hall.

Two large sales in the next week are those of Perry W. Ereon, at Potters Mills, and J. H. Ross, at Linden Hall. The latter will sell eleven young horses.

The automobile may be cutting down the demand for the light driving horses, but the heavy draft animals have a field of usefulness that will remain permanent.

Chamberlain's Stomach and Liver Tablets are safe, sure and reliable, and have been praised by thousands of women who have been restored to health through their gentle aid and curative properties. Sold by Murray and Bitner.

The plow was started in some sections near Centre Hall Friday and Saturday. As is usually the case, Franklin Moyer, west of town, was among the early plow-birds, with William Bradford at the Old Fort, a close second.

Mrs. E. E. Gutelius is having that part of her dwelling house on East Main street, formerly occupied by the Millheim Banking company, in Millheim, repaired and changed into a modern dwelling house. N. A. Auman will occupy the same when completed.

Harvey F. Musser, of Centre Hill, one of the Potter township auditors, was a caller at this office Monday morning, and brought with him the Potter township financial statement, which was prepared with great care. The statement will appear in the next issue of the Centre Reporter.

Although lectures at Farmers Institutes and agricultural papers have for years been pointing out the waste of ammonia when manure is hauled to the fields and dumped on large or small piles, the practice of that method of handling manure continues. Just why the farmers persist in doing so in the face of their better knowledge is a mystery.

The library of the Central State Normal School at Look Haven is well selected and the books are easily accessible. The library rooms are said to be handsomer than those of any other Normal School in this state. The remarkable success of the school's debating team in the inter-Normal debates is due in a large measure to the library. The spring term opens April 4th. Write to the principal for a catalog.
