ANNOUNCEMENT.

To THE EDITOR—I hereby announce myself a candidate for Congress in the 21st Pennsylvania district, subject to the decision of the Republican voters at the primaries to be held June 4, 1910. I make this announcement and enter the contest in compliance with the earnest request of many prominent members of the party in the district, and also because I believe that in Congress, if elected, I would be in a position to effectively advocate those principles and measures of good government, which now more than ever, should be embodied in Federal legislation. I believe in clean politics and progressive Roosevelt policies. And to the end that I may serve their best interests, I ask the support of the Republicans of this district.
