LOCALS

Forester McNeal is back and for a short time will again have charge of the Nittany Mountain state lands. He does not expect to remain throughout the whole season.

The Reporter erred in stating that the Hagens were building the large porch for G. L. Goodhart, for it is John Lucas, the Centre Hall contractor and builder, that did the work.

Daniel Koch, of Sunbury, one of the Sebald music dealers men, was in town Monday, and was in company with Prof. P. H. Meyer, who is also one of the company's representatives.

Misses Mary Neff and Ruth Bower, Domer Ishler and Wilbur Runkle, of Tusseyville, and Lowell Alexander and William Reish, of Potters Mills, are attending the Centre Hall public schools.

Dr. and Mrs. Thomas Hunt and daughter, Marion, will spend next winter abroad. They expect to sail in August and will return about May 1. Dean Hunt hopes to make a rather careful study of agriculture in France.

Mr. and Mrs. James S. Stahl drove to the home of Mrs. Jane Albright, north of Spring Mills, and spent Sunday with her. Mrs. Albright, who is an aunt of Mrs. Stahl's, has not been in very good health during the past few months.

Dr. and Mrs. G. H. Widder, of Harrisburg, came to Centre Hall Saturday and remained until Monday, the guests of Mr. and Mrs. Mervin Arney. From here they went to Boalsburg, where they were the guests of Mr. and Mrs. Homer Barr.

The census enumerators will not have easy money coming them. The instructions accompanying the commissions are voluminous, and will keep the average enumerator busy guessing just how and what to report in many instances.

A new line of birthday and other post cards, all new designs, and many of them quite novel, are on sale at this office, at three cards for five cents or fifteen cents per dozen. Sent by mail, post paid. These are the best selections ever offered.

Mr. and Mrs. Conrad Confer, of near Colyer, are both in delicate health. They are quite aged people, Mr. Confer being some ninety years old. He is afflicted with cancer, and suffers considerably, and Mrs. Confer was stricken with paralysis some time ago.

Mr. and Mrs. William Winegardner, of Milroy, drove to Centre Hall where they were guests of the latter's mother, Mrs. Mary Goodhart, in Centre Hall. Mr. Winegardner is superintendent of one of the stone quarries at Milroy, and consequently is kept close to his work.

Every family and especially those who reside in the country should be provided at all times with a bottle of Chamberlain's Liniment. There is no telling when it may be wanted in case of accident or emergency. It is most excellent in all cases of rheumatism, sprains and bruises. Sold by Murray and Bitner.

Just about a-half inch of rain fell during the showers Sunday night and Monday evening, but that is more than the entire rain and snow fall during the month of March. Since these light showers the grass has made wonderful growth; garden truck is booming, and grain fields are looking more promising.

William Feidler is having his dwelling house repainted, the work being done by Daniel Daup. Since purchasing the property from D. L. Kerr, Mr. Feidler erected a large and handsome porch, and also made other improvements on it. When the painting is finished it will be one of the coziest homes in the town.

The College township road supervisors have petitioned for a state road from State College to the Benner township line, west of Peru, a distance of six miles. The application has been accepted by the Centre county commissioners, and, of course, there is every reason to believe that the state will do the same.

Since operating his hammers and chisels with compressed air, H. G. Strohmeier is enabled to do much more and better work than heretofore without expending as much physical energy. He is, however, kept quite busy, and has many monuments of various sizes and quality to erect before memorial day.

Charles C. Homan had a heavy loss caused by fire. He is now in Toledo, Ohio, having gone there from Cleveland. This change made it necessary for him to break up housekeeping, and on doing so placed his furniture in a large storage house, which burned together with all its contents. The fire occurred before Mr. Homan had his insurance transferred.

The candidacy of Lewis Emery, Jr. is not to be trifled with, and those who think their only hope for political recognition lies with boosting Barclay and deriding Mr. Emery, may awaken to find their judgment in error. Mr. Emery is no novice in politics, and he has the backbone, the ability and funds to fight to the finish, and his announcement to do so may be accepted in good faith.

Murray and Bitner's Success.

Murray and Bitner the enterprising druggists rather than await the ordinary methods of introduction, urged the Dr. Howard Co. to secure a quick sale for their celebrated specific for the cure of constipation and dyspepsia by offering the regular 50c bottle at half price.

So much talk has been caused by this offer, and so many new friends have been made for the specific that the Dr. Howard Co. have authorized druggists Murray and Bitner to continue this special half-price sale, for a limited time longer.

In addition to selling a 50c bottle of Dr. Howard's specific for 25c.

They have so much faith in the remedy that they will refund the money to anyone whom it does not cure.

When your head aches, your stomach does not digest food easily and naturally when there is constipation specks before the eyes, tired feelings, giddiness, bad taste in the mouth, coated tongue, heart burn, sour stomach, roaring in the ears, melancholy and liver troubles Dr. Howard's specific will cure you. If it does not, it will not cost you a cent.
