

James Lingle, who for many years was identified with the public affairs in Boggs township, died in Milesburg, Friday afternoon of last week. Interment was made Monday.

Mr. Lingle was born November 9, 1825, in Bald Eagle Valley, and is of German descent, his parents Paul and Mary Lingle, having come there from Dauphin county. Early in his life Mr. Lingle followed the carpenter trade, and the summer seasons he spent as a captain of a canal boat, and later purchased a boat of his own. With the exception of the one year he lived in Illinois, he continuously lived upon the Lingle farm, east of Milesburg, until a few years ago when age incapacitated him to a large extent.

In 1875 he embarked in the dairy business, which proved profitable in returns.

February 17, 1859, he was united in marriage to Miss Marcella Malone, who survives, as do also the following children: Lycurgus L., Centre Hall; Edward, Charles and Florence, wife of John Weaver, Pitsaun; Harry M., Oklahoma; Mary, wife of Thomas Boggs; Elizabeth, wife of Frank Wetsler, and Bruce, of Milesburg.

John, the only deceased child, died in Shreveport, Louisiana, about three years ago, and was aged thirty-three years.

George Lingle, of Bellefonte, is the only surviving brother. Alexander Lingle, also a brother, died recently in Des Moines, Iowa, at the age of eighty-nine years, lacking seventeen days.

The deceased was a member of the Disciple Church, and in politics an ardent Democrat.

Mrs. Hartswick is survived by two children, Mrs. William I. Swoope and Howard E. Hartswick, esq., both of Clearfield, and by three sisters, Mrs. Franklin D. Sower, of Norristown, Pa.; Mrs. James P. Coburn and Mrs. Evelyn Rogers, both of Bellefonte, and by three brothers, Dr. J. Hammond Huston, of Dayton, Ohio, and Thomas Huston, of Indianapolis, Ind. The funeral was held at her late residence on Monday afternoon.

Thousands Have Kidney Trouble and Never Suspect It.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a brick dust sediment, or settling, stringy or milky appearance often indicates an unhealthy condition of the kidneys; too frequent desire to pass it or pain in the back are also symptoms that tell you the kidneys and bladder are out of order and need attention.

What To Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills almost every wish in correcting rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. Corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of Swamp-Root is soon realized. It stands the highest because of its remarkable health restoring properties. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. Mention this paper and remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

POINTS REGARDING THE CENSUS  
The census begins April 15th and must be completed in thirty days. The enumerators will wear a badge inscribed "United States Census, 1910." The law requires every adult person to furnish the prescribed information, but also provides that it shall be treated confidentially, so that no injury can come to any person from answering the questions. The Census Bureau, prior to April 15, will distribute to every farm owner and tenant in this state a blank or schedule containing the Census questions relative to farm operations and equipment. This should be filled up, if possible, not later than the morning of April 15, but if anyone has been unable to fill it up by that time, he should do it as soon afterwards as he can. People who do not speak English or who do not understand the schedule completely should get help from others, if possible, in filling it up. The President has issued a proclamation calling on all citizens to cooperate with the Census and assuring them that it has nothing to do with taxation, army or jury service, compulsory school attendance, regulation of immigration, or enforcement of any law, and that no one can be injured by answering the inquiries. It is of utmost importance that the farm owners of this state to complete and correct. Therefore every farm owner and tenant should promptly, fully and accurately fill up the "Advance Farm Schedule" and carefully preserve it for the enumerator when he calls.
