ANNOUNCEMENT.

To THE EDITOR—I hereby announce myself a candidate for Congress in the 21st Pennsylvania district, subject to the decision of the Republican voters at the primaries to be held June 4, 1910. I make this announcement and enter the contest in compliance with the earnest request of many prominent members of the party in the district and also because I believe that in Congress, if elected, I would be in a position to effectively advocate those principles and measures of good Government, which now more than ever, should be embodied in Federal legislation. I believe in clean politics and progressive Roosevelt policies. And to the end that I may serve their best interests, I ask the support of the Republicans of this district.

LEWIS EMERY, JR.
Bradford, Pa., March 15, 1910.

If any of the citizens are interested in having the graves of the Revolutionary soldiers—Van Doran and Shadacre—in Indian Lane bedecked with flowers, they are requested to leave the flowers at the Reporter office prior to noon of Memorial Day. It is not the intention to solicit a large number of bouquets, but simply sufficient for a modest display. These lonely graves have been marked with flags and flowers for a number of years by the Reporter force, and the practice will be continued.

Compliments to Gov. Penny.

This secret, sedulously guarded for two years, became known only a few days ago. In commenting on the report, Mr. Dewalt, now Democratic State Chairman, said: "I still think that the recommendation in my report should have been followed. I expressed it as my honest opinion then, and I still believe Governor Pennypacker to have been more culpable under the law for the State Capitol stealings than Doctor Snyder, who was then the Auditor General."

SUMMER VACATIONS

The time is coming for summer outings. Have you thought about yours yet?

No country on the face of the globe contains so many delightful summer resorts as the United States, with its near neighbor, Canada.

The Pennsylvania Railroad will issue its popular Summer Excursion Book on June 1, and you will find it a wonderful help in plotting out your summer trip.

It contains descriptions of about eight hundred of the leading resorts of North America, lists of hotels and boarding houses at these various places, a map, routes and rates from the principal stations on the Pennsylvania Railroad, and other valuable information.

If you have grown tired of the resort you have visited for years, you may make a selection from this book for a stay of a day, a week, a month, or the whole summer.

You may plot out an extended tour covering mountain and seashore, or a fishing trip, or a hunting jaunt, by rail or boat or a combination of both.

Any Ticket Agent of the Pennsylvania Railroad will be glad to furnish a copy of this valuable book for Ten Cents, or it will be mailed you postpaid, on receipt of Twenty-five Cents, by Geo. W. Boyd, General Passenger Agent, Philadelphia, Pa.
