

Centre's Democratic Delegates.

The Democratic delegates who will represent Centre county at the Allentown convention are A. L. Auman, of Coburn; J. M. Cunningham, of Bellefonte; and William H. Noll, Jr., of Pleasant Gap.

These delegates were represented to South-side voters as favoring the candidacy of ex-Treasurer W. H. Berry for governor, and with that understanding they were supported. Berry is Centre county's choice as the Democratic candidate, and while the delegates elected were not directly pledged to support him, votes were solicited for them with the understanding that they were for Mr. Berry.

Berry, if nominated, can win in November.

Berry for Governor.

While the Philadelphia Record is making every effort to discredit the candidacy of Hon. William H. Berry for the Democratic nomination for governor, his chances to head the Democratic state ticket are very flattering. Mr. Berry himself is quite hopeful of being nominated, and he is not a dreamer—that is why the masses have confidence in him.

The opposition to Berry is in the large cities, where the Democrats and Republicans play together for the personal advantage of the bosses.

Vote in Centre Hall.

Forty-four Democratic votes were cast at the primary election on Saturday. The vote was as follows: Delegate—Auman 29, Cunningham 12, Cornilly 00, Dauberman 43, Foster, 29, Noll 15, Thompson 3. Congress, Heinle, 28; Emery, 3. Assembly, Meyer, 38; J. Keller, 1. Senate, Dimeling, 36. County chairman, Kimport, 41.

Camp Hoffman.

Miss Gertrude Camp, of Milroy, and Milton Duncan Hoffman, of Tyrone, were the contracting parties in a brilliant wedding which took place at the home of the bride's parents, Mr. and Mrs. John A. Camp, on Wednesday evening of last week. The pretty ring ceremony was used in which Rev. J. W. Hutchison, assisted by Rev. H. C. Deles, officiated. The house was beautifully decorated with flowers, the color scheme being pink and white. About three hundred guests were present. The young couple will begin life in Tyrone.

The Grove Reunion.

The Grove reunion was held yesterday (Wednesday) on Grange Park, Centre Hall. There was a very good attendance of members of this very prominent family in Centre county, and the day, which was an ideal one for such a gathering, was spent in social intercourse.

There was general regret expressed over the inability of W. M. Grove, of Spring Mills, to be present. He is secretary of the association, but is absent surveying land for the state.

Linden Hall.

Mrs. Harriet Long and little granddaughter are visiting at the Robert McClellan and J. L. Tressler homes. William Tate left Tuesday morning for Harrisburg where he will attend the state encampment of the G. A. R. Mrs. Henry Houtz, who has been seriously ill for some time, is improving.

On Saturday evening about fifty friends of Mrs. Charles Weaver gathered at her hospitable home while she was on a business trip to Spring Mills and surprised her by their presence on her return. The affair was planned by Mr. Weaver and daughter, Mrs. Walker, and was a complete success. All had an enjoyable time, and when the early hours of morning came they departed, wishing Mrs. Weaver many more happy birthdays.

Monday morning Mrs. Foster Walker and little daughter Clara left for their home near Uniontown.

J. H. Ross has a force of men at work building a large lime pit on his farm south of town.

Harry Miller visited his sister Mrs. Bressler at the Bellefonte hospital on Sunday.

Miss Virgie Markle has been visiting at the Wilson home.

A. P. Wieland and niece, Leone Wieland, have returned from their trip to Williamsport.

Lee Brooks lost a valuable horse from scoturis, last week.

The grain house and elevator are undergoing extensive repairs, and Mr. Cunningham, of Bellefonte, is here putting the scales in better condition.

Next Tuesday, June 14th, is Flag Day. Unfur the stars and stripes on that day.

LOCALS.

Mrs. D. W. Bradford attended the funeral of Mrs. Cook Condo, at Lock Haven, on Monday.

Congressman Foelt carried every county in his district. His majority over Wilson is over three thousand.

Deputy Sheriff James B. Strohm is in Centre Hall for the week, having decided to take a short rest from office duties.

Jerry Brown, of Potters Mills, is suffering from a serious rupture which necessitated the calling of Dr. H. S. Alexander.

A regular meeting of the Centre Hall W. C. T. U. will be postponed to Saturday afternoon, 18th instant, at the home of Mrs. Joseph Lutz.

Farmer J. W. Dashem, of the Red Mill district, was in town Tuesday morning. The cold weather almost discouraged him, but then July is coming along.

From the Millinburg Telegraph: Mr. and Mrs. Wm. O. Gramley, of Spring Mills, spent a few days recently and very pleasantly with his brother, Pines Gramley, and wife, in this place.

It is possible that the population under the 1910 census will reach near the one hundred million mark. The great increase will be in the centers of population, the rural districts having lost heavily.

William M. Houser, one of the young and progressive farmers near Pleasant Gap, was in Centre Hall on Monday and called at the Reporter office, and on doing so advanced the figures on the label of his paper.

Mr. and Mrs. A. E. Person, of Phillipsburg, New Jersey, arrived in Centre Hall Monday, and Wednesday the former returned to business again, while the latter will remain here for a while with her parents, Mr. and Mrs. James B. Strohm.

James C. Reed and niece, Miss Leona Burwell, of Boalsburg, were callers at the Reporter office on Monday afternoon. Mr. Reed is a farmer, and was delighted over the prospects of fair weather for a few days, during which time he anticipated a busy season.

On Tuesday Mrs. Sarah Foreman attained the seventy-seventh year of her age, and on that occasion her children all gathered around the family table once more. Considering her age, Mrs. Foreman is in splendid physical and mental condition, and bids fair to live over many similar events.

Mr. and Mrs. J. W. Neese and son, William, of Neshauc Station, New Jersey, are at the home of the former's parents, Mr. and Mrs. A. P. Luse, in Centre Hall, where they will remain for several weeks. It is a little over two years since Mr. Neese left Centre Hall to take his present position, and this is his first visit here.

Mr. and Mrs. D. R. Foreman and children, of Bellefonte, are guests at the home of the former's mother, Mrs. Sarah Foreman, in Centre Hall. During his absence from the Prothonotary's office, Mr. Foreman is making good use of his time, assisting in making general improvements to the Foreman home purchased a short time ago.

The Centre Hall school board reorganized Monday evening by electing John H. Puff, president; Rev. Daniel Grees, secretary, and H. G. Strohm, treasurer. The other members are John G. Dauberman, G. W. Bushman and L. G. Rearick. The financial statement will show a cash balance of over \$200, with some \$80 tuition unpaid, also a borough bond of \$500. Teachers have not yet been elected, but it is generally thought that the former corps will again be selected.

Mr. and Mrs. Clyde Condo, of Forbes Roads, in the Pittsburg district, accompanied by their two children, are at the home of the former's parents, Mr. and Mrs. M. M. Condo, at Centre Hall. Mr. Condo is conducting a retail butcher shop for the Jamison Supply Company, at Forbes Roads, and is making a success of it. When he left here, eight or nine years ago, he was a stripling, but now he is six feet three inches tall. He and his family will remain several weeks.

The license of the Standing Stone hotel, in Huntingdon, was revoked as a result of several boys having secured liquors there and then fired the town, destroying about \$200,000 worth of property. Judge Woods, in his opinion filed, declared that none of the landlords seemed to have a conception of what the license law required, and that every license in the borough should be revoked, which would have been done, but the associate judges overruled him in all his decisions except that of the one named above.

Mr. and Mrs. J. H. Boon are at the home of Mr. and Mrs. B. D. Bribbin, having come there Monday afternoon. Three years ago they went to Germany, where Mr. Boon was sent by the Veeder-Manufacturing company, and after a stay of a year or more Mr. Boon returned, leaving Mrs. Boon and daughter Alice there. Miss Alice entered a school at Wietmar, and is continuing her studies in the German institution. Mrs. Boon landed in New York on Sunday, on the steamship Cincinnati, where she was met by her husband, and they at once started for Centre Hall. Mrs. Boon did considerable traveling through the European countries, although the most of her time was spent in Germany.

Don't Cut It!

the ATLAS E-Z Seal Jar

Will Hold it Whole

That's one strong feature in favor of the "ATLAS E-Z SEAL"—it has a wide mouth for large fruits. Another is its uniform thickness—no thin spots or weak places in an ATLAS E-Z SEAL Jar. Still a third good point is its smooth top, which can't cut the hand when sealing. Be sure to ask your dealer for the ATLAS E-Z SEAL Jar and take no other.

THE HAYING SEASON IS COMING ON

and we present to you a few hay tools and assure you that it will be well worth your while to investigate the merits of them. Special attention is called to the

"GEARLESS" HAY LOADER

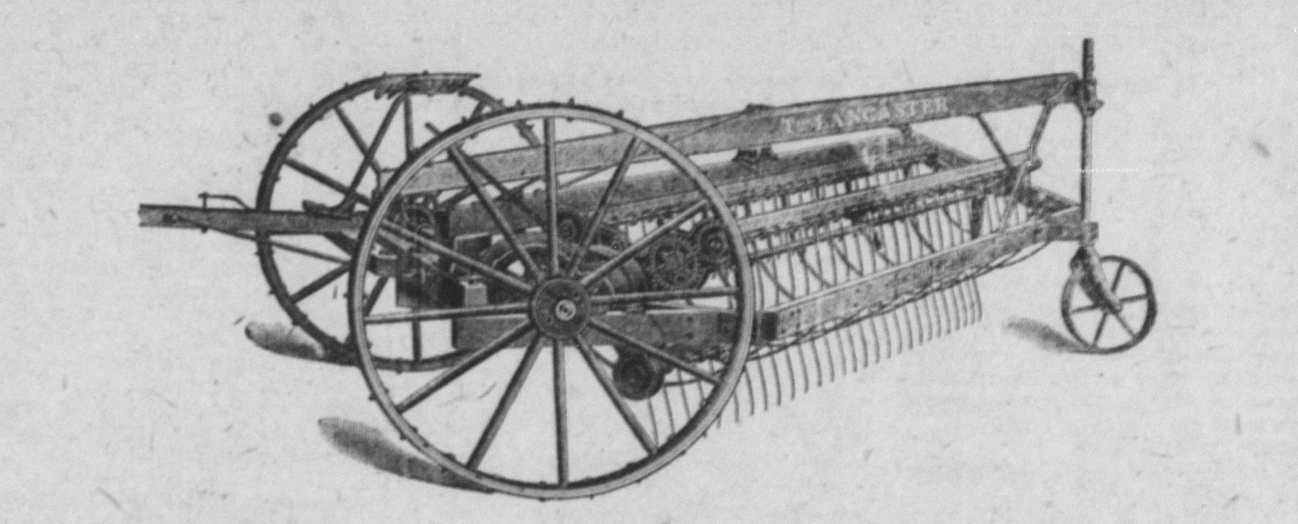

Its name describes it—it is gearless, and has no gears to break, clog up, chains and sprockets to break, run off and cause no end of trouble. The long easy stroke delivers the hay whether heavy or light, on the wagon in better shape without chewing it up, without tearing off the lever or without threshing out the seed as other loaders do.

The GEARLESS Hay Loader is not the cheapest hay loader you can buy, but it is the best one. They are worth more than is asked for them.

The GEARLESS does its own loading; it pushes the hay well up onto the wagon; it does not need a watchman to keep it from clogging. The Gearless is sold on its merits, because it never fails to perform the work it is sold to do. The Gearless will pick up and load winrows and hay cocks which other machines cannot handle.

The "Lancaster" Side Delivery Hay Rake

In the Lancaster Side Delivery Hay Rake are combined all the good points and avoided all the faults of those that have gone before. It is simple, durable, well made, easily operated.

The Lancaster rake gathers up the hay into a continuous, loose and fluffy windrow, through which the hay freely passes.

The Lancaster rake is driven from the main axle; the power is all utilized in the working of the rake, nothing is lost in complicated machinery.

By the use of three sets of raking bars there is obtained slow speed, which is especially desirable in raking clover. The machine will rake clean the shortest blue grass as well as the heaviest timothy or clover.
