

**DEATHS.**

On Sunday morning, just at the break of day, the spirit of Clarence, the oldest son of Mr. and Mrs. William Raymond, of near Linden Hall, took its flight to the other world. He had been sick for eleven weeks with typhoid fever, and other complications. Everything known to medical science had been done to ward off the fatal results of the disease, but the efforts were to no avail. He was the eldest of four children—Roy, Stella and Esther, who besides his father and mother are left to mourn the loss of a kind and affectionate son and brother. Had he lived until the 5th of October he would have been twenty-two years old.

For a number of years Mr. Raymond was a member of the United Evangelical church, and faithfully performed the work he undertook to do for the Master. He was superintendent of the Sunday-school, and for one so young in years he filled the position nobly.

The entire community deeply sympathizes with the bereaved parents.

The funeral was held Wednesday morning, interment being made at Balsburg, Rev. S. A. Snyder, pastor of the church of the young man's choice, officiated at the funeral.

After a brief illness Mrs. Henry Knofsinger, of near Pleasant Gap, died Friday afternoon, at the age of twenty-eight years. Interment was made Sunday afternoon, at Pleasant Gap, the services being attended by a large number of members of the local order of Knights of the Golden Eagle, the deceased having been a member of the Lady's Temple. Two small children—a son and daughter—survive.

The maiden name of the deceased was Clark, and she was from New Jersey. She was in fine physical condition up to four o'clock in the morning of the day on which she took sick, which sickness was occasioned by eating something which caused her great pain, and later a series of convulsions followed, causing death.

Rev. Meredith, pastor of the Seven Day Advent church, was the officiating minister.

The death of Mrs. George William Wolfe occurred at her home near Fiedler, on Wednesday morning, after an illness of some months from dropsy and other ailments. Interment will be made Saturday, at Woodward, Rev. Dice to officiate.

The deceased's maiden name was Elizabeth Hosterman, and is survived by her husband and four children, namely, Thomas, at Woodward; Charles, at Aaronsburg; Sumner, at Howard, and Mrs. Edward Glantz, at Fiedler. Her age was sixty-nine years.

John H. Fowler, of Belleville, has leased the brick store building known as the Dinges stand, and will open a bakery in it as soon as the equipments, which will all be new, arrive from the factory. Mr. Fowler is a man of large experience in the bakery business. His products are equal in quality to any made in the cities. He selects small towns for business with a particular view in mind, which need not be mentioned here. At Belleville he built up a large trade, but when he began every one predicted failure. Mr. Fowler relies wholly upon his skill as a baker to carry through his propositions. After leaving Belleville he had been out of the states until quite recently.

The "Scientific Corn Harvester" is the name of a machine for which George H. Emerick, of Centre Hall, has taken the agency. The machine was given a trial in Mr. Emerick's field Saturday afternoon, and it worked to perfection in the minds of those who witnessed its performances. The machine has two cutting shears on the outer edges of a platform, which is carried on four wheels. On the platform are two seats for the operators to sit on while they gather the corn in their arms as the knives cut it. The machine can be adjusted to cut a stubble from three to fourteen inches; and can also be made to cut one or two rows at a time. The horse is hitched to shafts, which are so constructed as to prevent accident to the horse or operators. There is nothing at the machine to get out of order, and its capacity to cut is limited only by the ability of the operators to take care of the corn and shock it. Mr. Emerick will be pleased to hear from prospective buyers.
