In the efforts to check the mountain fires west of Troxleville, a week ago, the men started fires against the approaching flames, which will likely be the basis of a lawsuit, as these fires destroyed considerable fencing and some buildings on Hon. It is said that Judge Rigel will seek redress through the courts for the property loss sustained, the men who started the fires being employed by the State, which will be held responsible.

Where is Your Hair?

In your comb? Why so? Is not the head a much better place for it? Better keep what is left where it belongs! Ayer's Hair Vigor, new improved formula, quickly stops falling hair. There is not a particle of doubt about it. We speak very positively about this, for we know. Does not change the color of the hair.

Indeed, the one great leading feature of our new Hair Vigor may well be said to be this—it stops falling hair. Then it goes one step further—it aids nature in restoring the hair and scalp to a healthy condition. Ask for "the new kind."

If your liver is sluggish and out of tone, and you feel dull, bilious, constipated, take a dose of Chamberlain's Stomach and Liver Tablets tonight before retiring and you will feel all right in the morning. Sold by Murray and Bitner.

Formula with each bottle. Show it to your doctor. Ask him about it, then do as he says.
