

DEATHS.

Isaac C. Smith died suddenly at his home in Centre Hall on Thursday evening. He had been about during the day, and had just come in from his lot, sat down and was there but for a few minutes when his wife heard him make a peculiar noise, and going to his side found him dying. The cause of his death was due to acute indigestion. While Mr. Smith was not a robust man, he experienced little or no sickness during his life of seventy-two years, one month and thirteen days.

Interment was made at Centre Hall, on Monday forenoon, Rev. Dr. W. H. Seubler officiating.

Mr. Smith was the son of James Smith, and was born at Allenville, Millin county. When but a few years of age, his father and family wagoned to Strattonville, Clarion county. It is about forty-five years since he came to Centre Hall, and after marrying Miss Maggie Witmer, he engaged in the mercantile business at Corsica, Jefferson county. From there he and his wife came to Loganton, where he also conducted a store, and later for a number of years they lived in Williamsport, from which place they came to Centre Hall.

There survive the deceased a widow, previously named, three sons and one daughter, namely: H. Witmer, of Bellefonte; James W., of Williamsport, Clyde C., of Bellefonte and Miss Grace C., at home.

One sister, Mrs. Ellen Ray, of Corsica, now aged some eighty years, also survives.

Miss Luella Ilgen, daughter of Thomas Ilgen, of near Tylersville, who died Thursday morning of last week, was ill several years with tuberculosis, but her death occurred quite suddenly. She was assisting with the housework in the kitchen when she was seized with a hemorrhage of the lungs and breathed her last in a few minutes. Deceased was aged about thirty years. Funeral services were conducted in the Lutheran church at Tylersville Sunday afternoon, by Rev. J. M. Bearick, of Salona, and burial was made in the Tylersville cemetery.

After many weeks' illness with bronchial trouble, William Wilson died at his home at Rock Springs. He was a son of Mr. and Mrs. Sanford Wilson and was born at Charter Oak, on April 19th, 1872. He is survived by his wife and one young son, Curtis; also his mother, three brothers and ten sisters. He was a member of the Reformed church since early manhood. Rev. R. M. Campbell officiated at the funeral services and burial was made in the Pine Grove Mills cemetery.

JAMES I. BLAKESLEE

Democratic Candidate for Secretary of Internal Affairs.

Hon. James I. Blakeslee, Democratic nominee for secretary of Internal Affairs, was born at Mauch Chunk, Pa., Dec. 17, 1870. He was educated in the public schools and subsequently took special courses at the Bethlehem Preparatory, the Cheltenham Military Academy and the Hill School, Pottstown, Pa.

Mr. Blakeslee entered the railroad service early in life and served in various capacities, from brakeman up, with the Lehigh Valley and Pennsylvania companies. On the breaking out of the Spanish-American war he entered the volunteer service of the United States army as second lieutenant of A Company, Eighth regiment of Pennsylvania.

In 1905 Mr. Blakeslee was elected chairman of the Democratic committee of Carbon county and has been annually re-elected since. In 1906 he was a member of the Democratic state executive committee. He is a splendid organizer and has effected a superb organization of the Democratic forces of his county.

Mr. Blakeslee is a successful business man and since 1899 has been successfully operating the Leighton Electric Light and Power station at Leighton, where he resides, as lessee and part owner. He has developed the property into one of the most complete electric properties in the state.

Mr. Blakeslee was elected a representative in the legislature for Carbon county in 1906 and served during the session of 1907. He was a vigilant and militant Democrat in the body and a terror to the Republican machine. His great delight was to puncture the machine tire whenever the managers imagined things were running smoothly.

He is thoroughly informed on corporation law and methods and if he is elected secretary of Internal Affairs the corporations will have to obey the law no matter how rich and powerful they happen to be.

THE STAND-PATTERS

No Republican Congressional Candidate Favors the President's Idea. [From the Philadelphia Record.]

There are a good many members of the Union League, the Manufacturers' club and the Patriotic society whose keen sense of the ridiculous cannot but be quickened when contemplating the attitude of the Penrose machine in Pennsylvania toward the Republican party at large and toward the Republican administration of President Taft.

While the president, in letters and speeches, is proclaiming the purpose to revise the tariff one schedule at a time, so as to reduce "exorbitant and unreasonable profits" not a candidate of the Penrose machine for congress can be heard making a favorable response to his plan. Not a Republican candidate in Pennsylvania will give his assent to putting the barbarous duties of 100 per cent on the woolen clothing of the people first in the door under the proposed process of tariff revision.

Neither Senator Penrose nor Senator Oliver nor any Republican candidate for congress in this state will agree to subject the steel schedule first to this mill, with the view of reducing the prohibitory duty on building materials of steel to its former place in the tariff. Why, if Senator Penrose were asked, he would not consent to the slightest reduction of his favorite protective duties on umbrella sticks and Myrobolan plum trees!

Taking the Account.

The Republican party has been in power since March 4, 1897. For seven years five months and eighteen days of that time Theodore Roosevelt was president of the United States. The Sherman anti-trust law is "a criminal statute." How many men did Mr. Roosevelt send to jail for violating it? —New York World.

The "Colonel" is Doing the Work.

While he was president it was not always possible for obvious reasons to show up Mr. Roosevelt in his true light. By his coarse abuse and plain falsification he is now rendering that service himself. —New York World.

The New Club.

"The Crook and Jackass Club" is duly incorporated, with a federal judge as the charter member. Open only to members of the bar. —Springfield Republican.

Tariff Tax on Breakfast Food.

Bacon is now 50 cents a pound. "Whole hog or none," says the trust. —Philadelphia North American.

Quite Different.

The colonel is discovering that hunting the dillik in Africa and the Dix in New York are entirely different occupations. —Houston Post.

LETTERS FROM SUBSCRIBERS.

Reporter Subscribers Correspondent Column—New Department.

TIPPIN, OHIO Oct. 25, 1910.

Dear Editor Reporter:

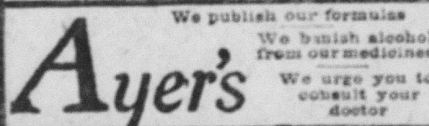

Since you have a column for letters from subscribers, I thought a few lines from here might be of interest to some of the Reporter readers. I came here about three weeks ago to work at the carpenter trade with my nephew, who is a builder and contractor at this place. Tiffin is a beautiful little city; it has a population of thirteen thousand, and is level. The streets are all paved and kept very clean; it is the county seat of Seneca county, in northwestern Ohio. The surrounding country is a very fine farming country; the land is fertile and level; the crops were good, especially the corn crop. Prices on farm products are about the same as in Pennsylvania. We are having beautiful weather here. With best wishes for the Reporter and its many readers.

M. J. BARGER.

Mr. Barger is a resident of Beech. The Reporter can endorse all Mr. Barger says about Tiffin and the farming section surrounding the beautiful little city. The country about Tiffin is an ideal farming section.

Coughs of Children

Especially night coughs. Nature needs a little help to quiet the irritation, control the inflammation, check the progress of the disease. Our advice is—give the children Ayer's Cherry Pectoral. Ask your doctor if this is his advice also. He knows best. Do as he says.

If you think constipation is of trifling consequence, just ask your doctor. He will disabuse you of that notion in short order. "Correct it, at once!" he will say. Then ask him about Ayer's Pills. A mild liver pill, all vegetable.

When a cold becomes settled in the system, it will take several days' treatment to cure it, and the best remedy to use is Chamberlain's Cough Remedy. It will cure quicker than any other, and also leaves the system in a natural and healthy condition. Sold by Murray & Bitner.

EXECUTOR'S NOTICE.—LETTERS TESTAMENTARY on the estate of Amanda Walker, late of Harrisburg, deceased, having been duly granted to the undersigned he would respectfully request any persons knowing themselves indebted to the estate to make immediate payment, and those having claims against the same to present them duly authenticated for settlement.

CAPITAL, \$5,000

FIRST STATE BANK

Arlington, Ia., April 23, 1903

Mr. J. Cooper, Decoral, Iowa,

Dear Sir: Your letter of inquiry received and noted. The fact that I have two policies of \$12,000 in The Royal Union Insurance Co., and that I am perfectly satisfied with the same, is the strongest evidence of my confidence in the company. Any financial institution that is limited by law in the investment of its funds in non-fluctuating, non-speculative securities such as farm mortgages, municipal bonds, and loans on the cash surrender values of its own policies is certainly entitled to public confidence. Add to this the fact that the state of Iowa requires sufficient of these securities on deposit with the Auditor of State to more than equal the amount of the Company's entire liability to its policyholders, and I am unable to conceive of a more complete and absolute protection. This is the law under which The Royal Insurance Co. operates, and for this reason it has my unqualified endorsement and confidence.

In addition to this it is an Iowa Company and has for eighteen years been steadily growing stronger and better. It is securing the highest rates of interest from its invested assets of farm mortgages in Iowa and adjoining states; this enables the company to pay its policy holders the highest possible earnings.

After a most careful and thorough investigation, I take pleasure in commending The Royal Union Life Insurance Co. as I regard it one of the safest and best.

Very truly, D. B. ALLEN.
