AN ORDINANCE .-Be it ordained by the Town Council of the Borough of Centre Hall, Centre County, Pennsyl-vania, and it is hereby ordained by the authority

SECTION I. Whenever any householder knows that any person within his family or household has a communicable disease, dangerous to the public health, he shall immediately report the same to the Board of Health. The following diseases require absolute quaran

tine: bubonic plague, choiera, leprosy, small-pox, and yellow fever, and quarantine shall con-tinue until raised by an authorized agent of the

Hoard of Health.

Absolute quarantine includes: first, absolute prohibition of entrance to or exit from a building or conveyance, except by officers or attendants authorized by the health authorities, and the placing of guards, if necessary, to enforce this prohibition; second, the posting of a warning placard stating the name of the disease in a conspicuous place or places on the outside of the building or conveyance; third, the prohibition of the passing out of any object or material from the quarantined home or conveyance; fourth, provision for conveying the necessaries of life, under certain restrictions, to those in quarantine.

The following diseases require modified quarantine. The following diseases require modified quarantine: epidemic cerebro-spinal meningitis, diphtheria, measies, German measies, whooping-cough, scarlet fever, and relapsing fever.

Modified quarantine includes: first, prohibition of entrance and exit, as in absolute quaran tion of entrance and exit, as in absolute quaran-time, except against certain members of the fam-ily authorized by the health authorities to pass in aud out under certain definite restrictions; second, the placing of a placard as before; third, isolation of patient and attendant; fourth, pro-hibition of the carrying out of any object or material, unless the same shall have been thoroughly disinfected.

Failure to observe the rules of modified quarantine will result in an absolute quarantine over the whole bousehold during the curation of

over the whole bousehold during the duration of quarantine.

The period of quarantine in cases of diphtheria shall be twenty-one days from onset; of scarlet fever, thirty days from onset; but no case shall under any circdimstances be released until the physician has certified in writing that desquanation has entirely ceased and discharging ears have healed; of small-pox, thirty days from onset; to which shall be added in each case such additional time as may be necessary in the opinion of the attending physician for the complete recovery of the patient.

SECTION II. No child or other person suffering from chickenpox or mumps or residing in the same premises with any persons suffering therefrom, shall be permitted to attend any public, private, parochial, Sunday, or other school, and the teachers of all public schools and the principals, superintendents, and teachers, or other persons in charge of private, parochial, Sunday, or other similar schools are hereby required to exclude any and all such children and persons from said schools, such exclusion to con-

ersons from said schools, such exclusion to con-nue during a quarantine period of twenty-one sys and entil the said quarantine is removed and the premises disinfected.

and the premises disinfected.

SECTION III. The head of a family occupying any house, apartment, or premises, or the proprietor of any hotel, boarding, lodging or tenement house, upon or near which a piacard or piacards are piaced, shall not remove, deface, cover up or destroy such piacard or placards, nor shall other persons unauthorized by the Board of Health, remove, deface, cover up or destroy such piacard or piacards, and if through accident, atmospheric conditions, or other agencies, said placard or placards are destroyed, removed, or defaced, the householder or proprietor shall at once notify the Board of Health of the fact.

the fact.

SECTION IV. Upon the removal to a hospital or other place, or upon the discharge by recovery or death of any person or persons who have surfered from anthrax, bubonic plague, epidemic cerebro-spinal meningits (spotted fever), cholera, dephtheria, measies, mumps, scarlet fever, small-pox, typhus fever, leprosy, or tuberculosis, the premises where said disease existed, together with the bedding, clothing and other articles exposed to infection shall be disinfected by the Board of Health.

SECTION V. All physicians practicing within the limits of the borough of Centre Hail shall make an immediate report of every case occurring in their practice of diseases specified in these rules and regulations, and all other communicable diseases dangerous to the public health.

SECTION VI. In cases not mentioned above the rules and regulations of the State Depart-ment of Health, so far as they apply to boroughs, shall be followed.

SECTION VII. The penalties for the violation of these rules and regulations shall be such as are provided for by the laws of the Commonwealth of Pennsylvania.

THE FELLOW WHO REFERRED to life insurance as a gambling game may have had good intentions, but he had bad judgment. It is the one business transaction which is not a gamble. Life insurance is intended primarily to offset as far as possible the loss to the world by reason of the death of a producer. And death is a sure thing. It is the one safe bet. That is why it will pay you to anticipate the inevitable. It is well known that a dead man's salary continues, but not in a satisfactory manner. It is drawn by the other fellow. There is such a thing as arranging so that your widow can draw yours. We can show you, That is why we ought to get together. We also have some easy chairs for old age. They are called Endowments.
