THAT BACKACHE

Cured by Lydia E. Pinknam's Vegetable Compound

my health was very bad and I had a continual backache which was simply awful. I could not stand on my feet long enough to cook a meal's victuals without my back nearly killing me, and I would have such dragging sen-

sations I could hardly bear it. I had soreness in each side, could not stand tight clothing, and was irregular. I was completely run down. On advice I took Lydia E. Pinkham's Vege. table Compound and Liver Pills and am enjoying good health. It is now more than two years and I have not had an ache or pain since I do all my own work, washing and everything, and never have the backache any more. I think your medicine is grand and I praise it to all my neighbors. If you think my testimony will help others you may publish it."—Mrs. OLLIE WOODALL, Morton's Gap, Kentucky.

ASTONISHED THE "OLD MAN"

His 'Rah-'Rah Son by No Means the "Dude" He Had Hitherto Seemed to Be.

The new governor of a western state has two sons. One is big and husky like his father, but the other is more slight; and at times he rather vexes his father by his affectation of 'rah-'rah-boy clothes and a general air of lassitude and dudishness.

The two sons and the father were in the library one night and the name of a prizefight referee came into the conversation. The 'rah-'rah boy had been sitting by, twiddling his thumbs, but his ears pricked up at the man's name and he drawled: "I rather like that chap. He's all right."

do you know about him?" the other brother asked, rather contemptuously.

"Oh, he gave me a shade the best of it one night."

"Gave you the best of it?" both father and brother shouted.

CHILDREN AFFECTED By Mother's Food and Drink.

Many babies have been launched into life with constitutions weakened by disease taken in with their mothers' milk. Mothers cannot be too careful as to the food they use while nursing their babes.

The experience of a Kansas City mother is a case in point:

"I was a great coffee drinker from a child, and thought I could not do without it. But I found at last it was doing me harm. For years I had been troubled with dizziness, spots before my eyes and pain in my heart, to which was added, two years later, a chronic sour stomach.

and almost from the beginning, it, too, suffered from sour stomach. She was

taking it from me! "In my distress I consulted a friend of more experience and she told me to quit coffee, that coffee did not make good milk. I have since ascertained that it really dries up the milk.

"So, I quit coffee and tried tea and at last cocoa. But they did not agree with me. Then I turned to Postum with the happiest results. It proved to be the very thing I needed. It not only agreed perfectly with baby and myself, but it increased the flow of my milk.

"My husband then quit coffee and used Postum and quickly got well of the dyspepsia with which he had been troubled. I no longer suffer from the dizziness, blind spells, pain in my

heart or sour stomach. "Now we all drink Postum from my husband to my seven months' old ing else the player was happy. It was baby. It has proved to be the best hot drink we have ever used. We would not give up Postum for the best coffee we ever drank." Name given by Postum Co., Battle Creek, Mich. Get the little book, "The Road to Wellville," in pkgs.

Wolter had been pitching a great deal that season, then he covered first during the entire fight. It was givebase for a while and followed that job up with one in the outfield. He proved a big league player in the three positions. He pitched good ball, but was greater with the hickory, which accomplishment resulted in placing him as a fielder. But a fickle manager later put him on the bench.

It was not long before the Boston club asked for waivers on him and "The baby was born 7 months ago, Hal Chase, who had watched the player for a long time in California and understood him better, went to Frank Farrell and told him that he could get a corking good ball player for the

COULD NOT STAND SUFFERING FROM SKIN ERUPTION

"I have been using Cuticura Soap and Cuticura Ointment for the past three months, and I am glad to say that they cured me of a most annoying skin eruption. It began by my noticing red blotches appearing on my face and scalp. Although they were rather disfiguring, I did not think anything of them until they began to get scaly and dry and to itch and burn until I could not stand the suffering. Then I began to use a different somp, thinking that my old kind might be hurting me, but that didn't seem to do any good. I went to two different doctors but neither seemed to relieve me any. I lost many nights' sleep in continual scratching, sometimes scratching till I drew the blood on my face and head. Then I started in to use the Cuticura Remedies and in two months I was entirely relieved of that awful pest. I am so delighted over my cure by Cuticura Remedies that I shall be glad to tell anybody about it." (Signed) G. M. Macfarland, 221 West 115th St., New York City, Oct. 5,

Successful Life Work. "He has achieved success who has lived well, laughed often, and loved much; who has gained the respect of intelligent men and the love of little children; who has filled his niche and accomplished his task; who left whether by an improved poppy, a perfect poem, or a rescued soul; who has never lacked appreciation of earth's beauty or failed to express it; who has always looked for the best in others, and given the best he had; whose life was an inspiration; whose memory a benediction." - President Schurman.
