

LOCALS.
F. K. Carter and John Luse are confined to bed on account of sickness. Sunday about one inch of snow fell Monday's sun brushed it from the earth.

A. C. Dunlap, of Spring Mills, contemplates, building an addition to his barber shop, and stock it up with a full line of clothing.

Miss Bessie Grove, who for some time had been in Philadelphia, has accepted a position as a trimmer in a millinery establishment at West Chester.

The financial statement of the borough of Centre Hall appears in this issue. Next week the statement issued by the Potter township auditors will appear.

Attention is called to the advertisement of H. F. Rossman, the general merchant, at Spring Mills. There are goods mentioned especially for the ladies, also carpets, and shoes. Read the adv., please.

Theodore Brown, son of Nathaniel Brown, of Spring Mills, was a Spring Mills visitor last Saturday and Sunday. "Today," as he is commonly known, is holding a lucrative and responsible position with the P. R. R. company at Milton.

The bakery building, at Milroy, belonging to Fultz Brothers, was damaged by fire if not totally destroyed, a few days ago. One of the members of the firm is the husband of Blanche Phillips, daughter of Mr. and Mrs. Peter Phillips, of near Colyer.

Posters have been printed for the stock sale to be held by W. O. Gramley, of Spring Mills, on April 15th. There are eleven cows, all bred to a registered Guernsey bull; two brood sows also bred to registered stock, forty shoats, and eight sheep. Keep this sale in mind.

Dr. Lincoln McConnell closed the second lecture course on Saturday evening. Dr. McConnell greatly pleased his audience, and he surely made his hearers laugh more than he made them cry. The attendance was the largest of any lecture during the two years the course has been running.

W. W. McCormick, of Pottery Mills, was a caller on Monday. He is the Potter township assessor, and his business in this community was to deliver assessment notices. He stated that Mrs. McCormick met with a misfortune recently. She fell on the ice in the yard, and broke the bone in one of her arms, about two inches above the wrist. The fracture caused her much pain, but the pains are now gradually leaving her.

D. A. Dietrich, of Walker township, forwarded his resignation as Recorder to the Centre Reporter by mail, and the same appears in this issue. He is the only candidate for that office who, so far, has announced in the Reporter, and while the writer is not personally acquainted with Mr. Dietrich, he is highly spoken of by his neighbors in Walker township, and that means much. Mr. Brown has made a good Recorder, but not good enough to get a second term without opposition.

The Bellefonte Republican devotes a column on its first page in a reflection on the intelligence of two Penns Valley citizens who in summing up the county statement are quoted as having read "turnkey" turkey in the expense account in the Deluge case. Of course, this never happened; no one from Penns Valley (Democrat or Republican) went to the commissioners office and made a kick because Deluge was fed twenty dollars' worth of turkey, but it does show Editor Dorworth's opinion of the intelligence of the people on the south side of Centre county.

Aaronsburg.
Misses Lizzie Phillips and Maude Hosterman were guests over Sunday at Farmers Mills, with John Zerby.

Mrs. Herman is taking care of Mrs. J. G. Meyer, who is not recovering rapidly.

Martha Wyle, last Thursday, went to Akron, Ohio, where she will make her future home.

Walter Orwig and George Stover spent a few days last week with the former's parents in Hartleton.

Mrs. Struble, of Clearfield, is visiting her daughter, Mrs. Archie King and family.

Mrs. Amelia Fummers, an aged lady, fell from her chair and badly hurt her head. She is getting along nicely.

Harry Homan took eighteen or more of his friends—ladies and gentlemen—to the home of Jerry Martin, along Penns Creek, where they met thirty others. The evening was spent in a most enjoyable way.

Bessie Phillips, aged seventeen years, was remembered on her birthday by a number of her friends, who sent her postcards, handkerchiefs, a waist and other wearing apparel. The shower was arranged by Mrs. Luther Wert.

George Bohn and his uncle, Spar Bohn, caught so many fish on Saturday that they left them all along the creek to save the trouble of carrying them home, and also saved the housekeepers the annoyance of cleaning and preparing so many of the fish tribe.

After two months of remarkable sales, Murray and Bitner the enterprising druggists, say that their plan of selling at half price the regular 50 cent size of Dr. Howard's specific for the cure of constipation and dyspepsia, and guaranteeing to refund the money if it does not cure, has been the greatest success they have ever known.

Anyone suffering with dyspepsia, constipation, liver troubles, headaches, dizziness, coated tongue, of the general tired feeling, caused by inactive liver and bowels or disordered digestion, should take advantage of Murray and Bitner's new departure and buy a bottle of Dr. Howard's specific at half price, with their personal guarantee to refund the money if it does not cure.

Royal Union Mutual Life Ins. Co., Des Moines.

Dear Sirs: Enclosed find receipt for \$17.96, being the dividend on my policy No. 775, \$3000 paid up.

It may be of interest to you for me to say that I hold a \$5000 paid up policy with the New York Life Insurance Co., taken out within three months of the time I took out my policy with your company, and that the dividends of my New York Life policy amount to about \$2 per thousand per year; in other words you are paying me nearly three times as much in dividends as I get from the New York Life. I might also state that in the 20-year settlement with your company I got 20 per cent. more in cash dividends than I got from the New York Life. Prospective insurance buyers would do well to profit by my experience.

Very truly yours,
Wm. C. Harbach
