DEATHS.

Mrs. Clark M. Gramley, aged forty-five years, four months and twenty days, died Thursday morning of last week at her home in Rebersburg. She had not been in good health for a number of years, and about a year ago underwent an operation for throat trouble, the cause of her death being due to heart and throat troubles. Deceased's maiden name was Sarah Miller and was a daughter of Mr. and Mrs. Michael Miller, both of whom are dead. She leaves to survive, her husband, two children—Claude and Harry—one brother and three sisters, namely: George E. Miller, of Miles township; Mrs. C. C. Zigler, of Spring Mills; Mrs. Charles Smull, of Rebersburg, and Mrs. Reuben Vonada, of Penn Hall.

Interment was made in the Union cemetery, at Rebersburg, Saturday morning, Rev. C. N. Whitman, pastor of the Lutheran church, of which the deceased was a member, officiating.

Samuel Hazel, one of the best known residents of College township, died at his home at Houserville after a long illness with tuberculosis. He was born at Madisonburg and was aged about sixty-two years. When a young man he located at Houserville and for many years was engaged as a salesman for the woolen mill at that place, traveling all over Centre and adjoining counties, so that he had a wide acquaintance.

In 1876 he was united in marriage to Miss Mary Breen, who died several years later. Early in the eighties he married Miss Priscilla Ray and to them three children were born, a son who died in infancy, and two daughters, Mrs. John Bohn and Mrs. Orin Houtz who, with their mother survive. He also leaves two sisters, Mrs. White, of Bellefonte, and one living in the west, and four brothers, Adam, of Axe Mann; Frank, of Bellefonte; Nathaniel and Cornelius, of Rebersburg.

Mr. Farmer:

WHY DON'T you make these necessary repairs around the farm NOW, before Spring work opens up?

Are the floors bad in your cow stable, horse stable, chicken house, pig pen, and are the rats eating through the corn crib floor and the granary floor? Are your water troughs leaky, pig troughs eaten out, cistern top unsafe, cistern leaking badly, water drains broken, chimney tops spreading, cellar steps broken, and the cellar floor rough? If they are,

Adjustment, from 3 feet to 3 feet 8 inches.
Wheels, 30 inches; open, concave or flat, as desired.
Planter regularly furnished with tongue, and 5 sets of seed plates.
With or without fertilizer attachment.
When specified, this drill will be furnished adjusted, 2 feet 4 inches and 3 feet 4 inches to 4 feet.

THE BLACK HAWK CORN PLANTER is not a new machine; it has long ago become popular among the best and most careful farmers. It sells on its merits.

THE NEW IDEA MANURE SPREADER

A MANURE PULVERIZER.
A MANURE DISTRIBUTOR.
RESULTS OUR MOTTO.

The New Idea is not the cheapest manure spreader on the market, but is decidedly THE BEST MACHINE on the market. It is worth many times more than the difference in the cost. The draft is light. The work is done perfectly. Always ready for action. The New Idea Manure Spreaders at public sales have been bringing top prices. That counts for much. A lime pan is furnished if you want to use it for spreading lime; also a traction band, if you if you want to haul on snow or ice, otherwise it is not needed.

These are only a few of our Implements.

There is nothing the farmer needs in the implement and machinery line that we do not carry. Most of these are constantly on hand and we are willing to order anything else you may want.

All Grades of Fertilizers for spring crops and top dressing for grass crops. You can buy anything you want in this line.

One Price to All. That is our motto. One man's money is as good, but not better than the other's. Most of our machinery is bought in car load lots; we fix our price and use all customers alike. You can have time, if you want it.

Examine Our Machinery. You are always welcome to examine our machinery and secure prices. The former will bear inspection, and the prices are not a secret.
