

Love-Jordan Reunion.

The Love-Jordan clans held their annual reunion on Saturday in the grove adjoining Peru station.

A bounteous feast, from an improvised table about one hundred feet long, was generously served to satisfy the inner man. It goes without saying that everybody did justice to the occasion.

A special program was arranged for the afternoon. Rev. J. F. Hower, of Bellefonte, was appointed master of ceremonies and offered prayer. The program consisted of addresses by S. D. Gettig, Esq., of Bellefonte; Dairyman H. N. Hoy, of Flora Park; Rev. I. C. Shearer, of Bellefonte, and Rev. S. A. Snyder, of Centre Hall; also recitations by a number of boys and girls, all of which were interspersed with music. Among the special features were a solo by Rev. I. C. Shearer and a medley of national airs sung by the Misses Young and Hower.

The reunion was pronounced a success by all present. The attendance by actual count was some over two hundred.

Fire at Bellefonte.

Tuesday afternoon of last week the Methodist church at Bellefonte was damaged by fire to the extent of several thousand dollars. The conflagration is thought to have been due to an extra heavy electrical charge sent over a wire which crossed a pipe and produced sufficient heat to char and finally ignite some woodwork near at hand. The building was insured in the Muser and Gray agencies, respectively. Until the church has been repaired and ready for occupancy, the congregation will hold its Sunday-school and preaching services in Petrikin Hall.

Grange Meets at Scranton.

Though the date is not until December, members of the Pennsylvania State Grange are already preparing for the annual meeting in Scranton. This is the first time the grange has met in northeastern Pennsylvania, and though the mining industry predominates in the immediate proximity, business men and others are co-operating to make the meeting the best in grange history.

Thousands of members are expected to attend the meeting, which will be held in the Town Hall of the city.

LOCALS

Haymaking has begun in several sections of the county.

Masters Ralph and Paul Horner, sons of Calvin Horner, of Altoona, are with their grandmother in Centre Hall.

Millin county Democrats put themselves on record as favoring Governor Woodrow Wilson as the Democratic presidential candidate in 1911.

Lice hatched in the joints of wheat stems are responsible for such a large per cent. of the wheat falling over before the berries are formed. The lice are prevalent in many sections of the state, and in some localities the whole crop has been destroyed.

The Department of Agriculture quotes the price of wheat June 1 at 86.3 cents, against 97.6 cents a year ago, and 123.5 two years ago. Corn is worth ten cents less than a year ago, and twenty-one cents less than two years ago. The price of beef cattle per 100 pounds is given at 4.59 against 5.23 a year ago; hogs per 100 pounds at 5.72 against 9.59, and wool in the grease at 14.7 cents a pound against 22.8 cents.

The Lewistown board of trade got busy, sent a committee to Harrisburg to interview Governor Tener, and that gentleman has promised to have State Highway Commissioner Edward M. Bigelow go through the Lewistown Narrows, and if conditions are as the committee represented, he will recommend that the committee request be granted, which was that the road through the narrows be built at once. A live board of trade is of some account.

The Journal says: A number of citizens of Penn township recently petitioned the school board of the township for a school house to be located near the farm of Daniel Meyer in said township. The young children living in that section are unable to attend school during the winter on account of the roads being drifted with snow, the nearest school house being more than a mile and a half from their homes. The necessity of a school house in that section is undoubted, but so far the school board has refused to listen to the petition of these citizens whose children are thus deprived of school facilities when needed the most.
