

Odd Fellows and Rebekahs Decorate.

As was announced last week the members of the orders of Odd Fellows and Rebekahs met at Centre Hall on Sunday afternoon and from here went to Tusseyville and from there to Sprucetown, returning to Centre Hall at five o'clock. The graves of brothers and sisters in the cemeteries at the points named were decorated, and a brief address at each place was made by Rev. Stuart Engler, pastor of the Methodist church at Pleasant Gap. Several hymns were also sung. Aside from the members of the orders who participated in the ceremonies, a large number of others took the advantage of the invitation and witnessed the decorating and enjoyed the addresses of the speaker.

The graves of the following brothers and sisters in the orders named were strewn with flowers:

Death From Electric Shock.

Mrs. Charles B. Mallory was instantly killed in the home of her parents, Mr. and Mrs. James Smith, at State College, during an electrical storm, on Monday evening. The town electric light system failed to work during the storm, and Mrs. Mallory went to the cellar to investigate, and in some manner touched a live wire, the result being as stated above. There survive her husband and two children, her parents and three brothers and sisters: Robert Smith, Millheim Harry, Paul, Minerva and Hattie, at State College; and Mrs. Esther Bower, at Jersey Shore. Her age was about twenty-three years.

The Mallory family live at Brad-dock, and came to State College on a visit. Interment will be made at Millheim this (Thursday) morning, Rev. D. M. Geesey of the Lutheran church officiating.

Runkle-Moyer.

Bruce E. Runkle and Miss Ella Moyer, both of near Centre Hall, were united in marriage at the home of the groom's grandmother Mrs. Lucinda Runkle, in Spring Mills, the officiating minister being Rev. J. M. Runkle, of Newport, uncle of the groom. They are now on a wedding trip to Eastern Cities.

Both bride and groom are well known to the Reporter readers. Congratulations.

Great Bargains in Photos.

R. H. Breon, from Millheim, will open a studio, above Kreamer & Son's general store, Friday, June 30, and every Friday thereafter. o.jul.20.

LOCALS.

Miss Cora Luse is back from the Moyer school of music, in Freeburg.

Misses Elsie and Virna Geiss, who have been in Philadelphia during the past few months, expect to return home early in July.

These are vacation days. Of course, after one takes a real vacation he must take a few days rest in his own home if the vacation is to be of any benefit. But then, a change is a rest.

Miss Sarah J. Keller, of Boalsburg, came to Centre Hall, and was entertained by Mrs. J. C. Dale and Miss Mollie Heffer. Miss Keller recently returned from the Pacific coast.

The second summer session for teachers opened at the Pennsylvania State College on Monday for a period of six weeks. The attendance this year will, it is expected, reach 250 or 300.

Theodore Schilling, of Kane, has just recovered from a serious illness, but not until he underwent an operation to relieve him of gall stones. Mr. Schilling is a glassblower, and was formerly a resident of Centre Hall.

Mrs. Margaret Kline Bailey returned to this place Saturday morning, after spending some weeks with her parents, at Spring Brook. Her sister, Miss Minnie Kline, was with her and both were guests of Miss Gertrude Spangler until Monday morning where they left for Altoona to visit relatives.

Misses Susan and Alice Resnick from Monday to Friday have been guests of Misses Margaret Jacobs and Isabel Rowe. They are the daughters of Rev. J. M. Resnick, who this week moves from Salona to Williamsburg, where he is assuming charge of the Lutheran pastorate to which he was recently elected.

Mr. and Mrs. William J. Eccles, of Philadelphia, are visiting the latter's brothers and sisters in this vicinity. Before her marriage, Mrs. Eccles was Miss Zora Heckman, and by that name she will be better known by the majority of the readers. Mr. Eccles is employed in the customs house in Philadelphia.

At a meeting of the school board on Saturday evening the following teachers were elected for the coming term: Boalsburg grammar school, E. R. Williams; Boalsburg primary, Miss Margaretta Goheen; Shingletown, H. M. Hoeterman. The township high school, Walnut Grove, and Rock Hill, are not yet supplied.

Mr. and Mrs. J. P. Wagner, Mrs. Ira Hess, of Altoona, and Mr. and Mrs. Howard Brubaker, of Stockton, Illinois, were an automobile party who came from Altoona to Boalsburg on Saturday. They are being entertained at the home of D. W. Myers. Mrs. Brubaker is the only sister of Mr. Wagner and she with her husband are visiting relatives in Pennsylvania.

Mr. and Mrs. Henry Elder, of Ferguson township, and Mr. and Mrs. David Young, of Markiesburg, spent Saturday at the J. A. Fortney home. Mr. and Mrs. Young were former Centre countyans and were numbered among the public school teachers, when Thomas Hollahan was county superintendent. It is twenty-four years since they left Centre county. Mr. Young served in the Civil War, and was wounded in the battle of Chancellorsville. He was born quite near the foot of the Tussey mountain, and no matter how often he changed his place of residence the mountain was always in sight, sometimes looking to the south, then to the north and at their present place of abode the mountain is still in sight. Mrs. Young who was a daughter of Philip Carper was born west of State College, and remembered the old Tussey quite as well as her husband and both Mr. and Mrs. Young desire to spend their remaining days in sight of their best friend, the grand old Tussey mountain.

From all parts of the state reports are sent out that the Hessian fly has done great damage to the wheat crop. The yield in all fields has been reduced more or less, and in some sections the crop will be a total failure.

Before Centre Hall was built up there were a number of natural sinks that rapidly carried away the surface water. As the lots on which these sinks were located were improved, the sinks were closed, and now the surface water after rains does considerable damage. These sinks should be opened.

The Washington (Pa.) Daily Reporter in giving an account of the commencement at Washington and Jefferson College, says twenty-three of the forty-eight graduates of the class of 1881 are living and eight of them were present at the exercises of the class reunion, among the number being Prof. W. A. Krise, of Centre Hall.

Merchant George O. Benner is preparing to construct a concrete walk to the front of his residence, vacant lot and store building. T. L. Moore, J. H. Weber and Hon. Leonard Rhone are also preparing to build walks of the same material, and W. J. Mitterling is contemplating the construction of steps to his porch. The latter design will be elaborate.

The Trouble.

"So she doesn't return your affection, eh? Well, I shouldn't get mad about that. What's the use of bothering about a girl?" said Watkins. "I don't mind her not returning my affection," said Dobleigh, "but, confound it, she won't return my diamond ring, either!"—Harper's Weekly.

THE HAYING SEASON IS COMING ON

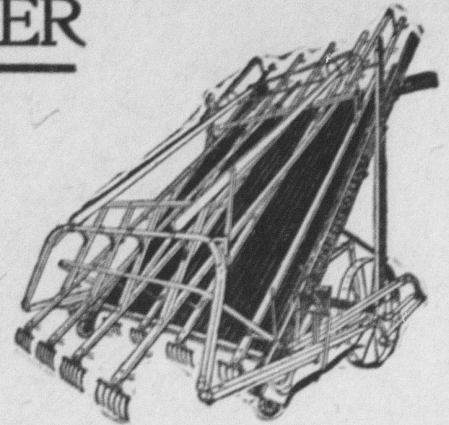

and we present to you a few hay tools and assure you that it will be well worth your while to investigate the merits of them. Special attention is called to the

"GEARLESS" HAY LOADER

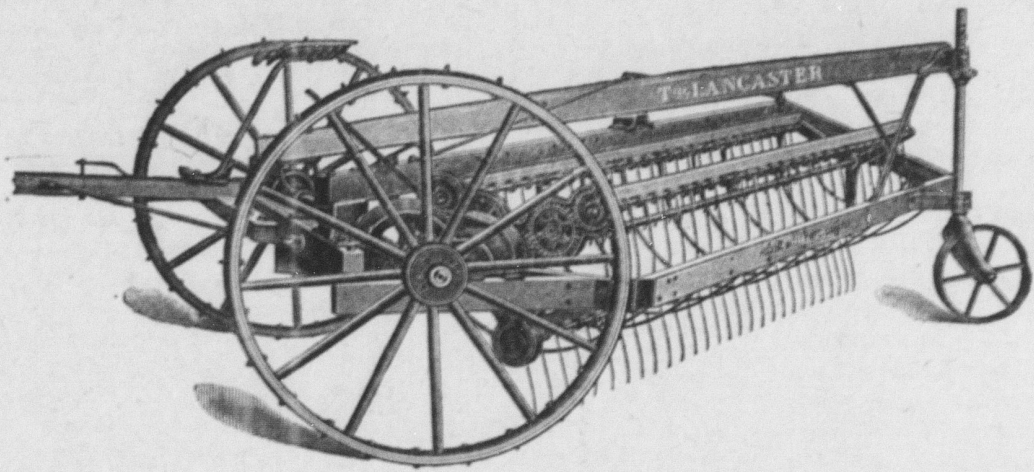

Its name describes it—it is gearless, and has no gears to break, clog up, chains and sprockets to break, run off and cause no end of trouble. The long easy stroke delivers the hay whether heavy or light, on the wagon in better condition without chewing it up, without tearing off the leaver, or without threshing out the seed as other loaders do.

The GEARLESS Hay Loader is not the cheapest hay loader you can buy, but it is the best one. They are worth more than is asked for them.

The GEARLESS does its own loading; it pushes the hay well up onto the wagon; it does not need a watchman to keep it from clogging. The Gearless is sold on its merits, because it never fails to perform the work it is sold to do. The Gearless will pick up and load winrows and hay cocks which other machines cannot handle.

The "Lancaster" Side Delivery Hay Rake

In the Lancaster Side Delivery Hay Rake are combined all the good points and avoided all the faults of those that have gone before. It is simple, durable, well made, easily operated.

The Lancaster rake gathers up the hay into a continuous, loose and fluffy windrow, through which the air freely passes.

The Lancaster rake is driven from the main axle; the power is all utilized in the working of the rake, nothing is lost in complicated machinery.

By the use of three sets of raking bars there is obtained slow speed, which is especially desirable in raking clover. The machine will rake clean the shortest blue grass as well as the heaviest timothy and clover.

A Full Line of "Johnston" Haying Machinery

The Johnston Machines are superior to all other haying machines; their strong points are light draft and durability. They have strength where strength is required, but not overweighted.

There is nothing the farmer needs, from a hay rake to a hay loader, from a child's wagon to a heavy farm wagon, from a cart to a carriage, from a fork to a manure spreader, from a hand plow to a reversible Syracuse plow, from an iron rake to the most improved 60-tooth spring harrow, from a step ladder to a 30-foot ladder, everything needed on the farm, you will find at our ware house.

There is some advantage in seeing and handling the tool or implement before you buy.

People Who Are Interested

in what is done, are generally also interested in how it is done. We are going to tell you. Interest rates in the West have always been higher than in the East. For many years to come, they will be from 1-2 to 2 per cent. higher. Look at these figures:

\$1 invested annually for 20 years at 6 per cent., \$38.99.

\$1 invested annually for 20 years at 4 per cent., \$30.97.

Difference in favor of 6 per cent. on \$1 per year, \$8.02.

If you are investing \$100 per year, the difference in favor of western securities would be \$802. It is no wonder that the best returns are secured in the
