

DEMOCRATS MEET.

County Committee meet in Bellefonte on Tuesday.

The local committeemen appointed by Democratic Chairman A. B. Kimport met in the court house in Bellefonte Tuesday forenoon. The meeting was called in pursuance of an old rule assembling the committeemen on the second Tuesday in August. The only real business transacted was to annul this rule and substituting one giving the chairman power to call a meeting any time, and also providing that upon a petition of twelve committeemen the chairman should assemble the body.

There was a large representation of committeemen present, and as the districts were called the representatives pledged themselves to attend to the registration of voters and make an effort to get out the vote. The one sentiment expressed was loyalty to the Democratic cause.

The committeemen appointed by county chairman are printed below.

Boalsburg Wins Two Games.

The Boalsburg baseball team crossed the mountains last Saturday and played a double header with the strong Moorsville team, composed of players from Moorsville, Charter Oak and Petersburg, winning both games by the scores of 14 to 4 and 11 to 0.

Ross pitched both games and in eighteen innings gave but one base on balls. Not a man crossed the plate in the last fourteen innings, and only two hits were garnered by the opponents in the last game.

The feature of the game was the hard hitting by the Boalsburg team, Keller carrying off the honors with a home run, a three-bagger, three two-baggers and a single. The all around playing of the Boalsburg boys showed they are a very strong team and able to hold their own against the strongest teams in the county.

Miss Florence Love, of Bellefonte, well known to many of the Reporter readers, who recently underwent a serious operation in the Bellefonte hospital, was last week discharged from that institution.

Mr. and Mrs. Adam Neese, of near Spring Mills, visited the former's sister, Mrs. J. A. Dailey, at Saalsburg. The Neese family will move to Union county, next spring, onto a farm recently purchased by Mr. Neese.

Miss Alverda Gress, of Pittsburg, is the guest of Miss Ruth Thomas. She is the niece of Rev. Daniel Gress, and frequently came to Centre Hall when her uncle lived here. She is now a student in Thiel College, at Greenville.

It is not often that one loses by fire in close succession, but this happened George Irvin, of near the Pennsylvania Club House, near Pennsylvania Furnace. The Irvin dwelling house was burned about two months ago; a temporary structure was erected in which all the furniture, etc., saved was housed and in which the family lived. This took fire on Thursday morning of last week and was totally burned.

The pulpits in the Presbyterian and Reformed churches in Centre Hall on Sunday evening, were filled by out-of-town ministers, Rev. Lewis Robb, of Williamsburg, preaching in the latter church and Dr. F. F. Hoisopple, of Juniata College, in the former. Dr. Hoisopple spoke in the interest of the Anti-Saloon League. He had his subject well in hand, and while not radical, he produced the most convincing arguments against the liquor traffic. His reasonings were so clear and figures so appalling that no one who heard him could longer give his support (moral or otherwise) to the liquor traffic.

A bit of local news old and yet not known by the public is that Messrs. David K. Keller and W. F. Bradford, of Centre Hall, and C. W. Swartz, of Tusseyville, are stock holders in the Penna Valley Banking Company since last spring, making the institution stronger than ever. Of course, the former members of the company, namely, Hon. W. M. Allison, W. B. Mingle and Harry Harper, continue their holdings, the new members being owners of the stock formerly held by the late James A. Keller. The fact that stock holders in a private bank are liable for all the property of every kind they possess, makes the local bank at this time a particularly safe depository.

THERE IS NO PLOW SUPERIOR TO THE SYRACUSE RIDING PLOW

It plows the same depth the whole day long; sticks to the ground in stormy soil; can be well handled on rocky hillsides. It leaves no dead furrows to wash; will throw the soil up hill better than any other plow made; it is strong enough to do its work, yet not clumsy. It is made for two or three horses.

THINK THIS OVER

You say you can make more from your surplus than a life insurance policy will make for you.

How much comfort of mind will your "increased earnings" bring you when you are ill and face the question of your family's needs? Mental worry and illness combined speeds death.

Mental ease contributes to longevity. A Royal Union policy is the greatest balm in the world for that feeling of uncertainty about your family's future if you are no longer here to provide for them, and for the time when age will impair your activity. No policy is better secured or yields a better return than the one issued by the Royal Union.
