Why He Was Late.

"What made you so late?" "I met Smithson." "Well, that is no reason why you should be an hour late getting home to supper?" "I know, but I asked him how he was feeling, and he insisted on telling me about his stomach trouble." "Did you tell him to take Chamberlain's Tablets?" "Sure, that is what he needs." Sold by all dealers.

Stimulate Children?

Ask your doctor how often he prescribes an alcoholic stimulant for children. He will probably say, "Very, very rarely." Ask him how often he prescribes a tonic for them. He will probably answer, "Very, very frequently." Then ask him about Ayer's Sarsaparilla as a strong and safe tonic for the young. Not a drop of alcohol in it.

Always keep a box of Ayer's Pills in the house. Just one pill at bedtime, now and then, will ward off many an attack of biliousness, indigestion, sick-headache. How many years has your doctor known these pills? Ask him all about them.
