POLITICAL ANNOUNCEMENTS.

I hereby announce myself as a candidate for the office of Representative in the general Assembly of Pennsylvania subject to the decision of the Democratic voters of Centre county at the primaries to be held Saturday, April 13, 1912.

GEORGE A. BEZLER, Bellefonte, Pa.

We are authorized to announce that Robert M. Facer, of State College, is a candidate for the office of representative in the General Assembly of Pennsylvania, subject to the decision of the Democratic voters in Centre county at the primaries, April 13, 1912.

For County Chairman.

We are authorized to announce that Arthur B. Kimpfort, of Bellefonte, is a candidate for re-election for the position of Chairman of the Democratic party of Centre County.

We are authorized to announce that W. Harrison Walker, of Bellefonte, is a candidate for the position of Chairman of the Democratic party of Centre County at the primary election to be held April 13th.

For State Delegate.

I hereby announce my name as a candidate for Delegate to the Democratic State Convention from Centre county, and pledge myself, if elected, to support the Re-organization movement. I also heartily endorse the course of our County Chairman, A. B. Kimpfort, in the past to accomplish the same result. I therefore ask all Democrats who approve of these same sentiments to vote for me at the primaries, April 13th. As my name will not be printed on the ballot, to vote for me you must either write my name in the blank space or use a sticker.

G. L. GOODHART, Centre Hall, Pa.

We are authorized to announce that Abraham Weber, of Howard Borough, is a candidate for delegate to the Democratic State Convention, subject to the decision of the primary election April 13th, 1912.

For National Delegate.

To the Democratic voters of the 21st Congressional district, I hereby announce myself as a candidate for delegate to the Democratic National Convention in Baltimore, June 20th, 1912.

To the voters of my home county of McKean, no explanation as to my brand of Democracy is necessary, but to the citizens of Cameron, Clearfield and Centre counties a statement is due. I stand for that type of democracy represented by William Jennings Bryan, Champ Clark, Woodrow Wilson, and other progressive leaders, and believe with them, that the rights of men take precedence over the rights of money, and in the welfare of the masses, above that of the specious dominating commerce and of the few.

I favor the nomination of Woodrow Wilson for President, not that he is any better than many other democratic leaders, but first, because he is especially available.

I favor the nomination for Vice President of some equally good democrat, preferably a western man, such as Champ Clark, or Joseph W. Folk, of Missouri, Ollie James, of Kentucky, or Chamberlain, of Oregon.

I am unalterably opposed to the nomination of Harmon, of Ohio, or Underwood, of Alabama, as I consider them the representatives of that reactionary element that seeks to "Africanize" the Democratic Party.

I favor the reorganization of the Democratic Party in Pennsylvania or the elimination of the Guffey-Hall-Insular ticket, which no longer attracts the independent citizen, and has lost the respect and confidence of the vast majority of the people of the state.

If I am chosen as a delegate I shall work for the foregoing program.

I am not now, never have been, and do not expect to be, a candidate for any office. I do want to see the Democratic party united, and to see the principles in the nation, and purge and purify itself in the state.

On the foregoing basis I submit my name for the action of the voters at the April primaries.

ASHER R. JOHNSON, Bradford, Pa., Jan. 22, 1912.

To the Democrats of the Twenty-first Congressional District:

I hereby announce my name as a candidate for the office of delegate to the National convention, at Baltimore, June 20th, 1912. I favor the nomination of Woodrow Wilson for President, and if elected a delegate I will vote for him so long as he is a candidate.

I favor the reorganization of the Democratic Party in Pennsylvania, and am opposed to the union, slogan and independent leaders who forced a nomination at Allentown that was repudiated by the Democratic voters of the state.

JOHN C. BARCLAY, Clearfield, Pa.

We are authorized to announce that P. Gray Meek, of Bellefonte, will be a candidate for delegate to the Democratic National Convention, subject to the decision of the Democratic voters of the Twenty-first Congressional District, as expressed at the primaries, April 13th.

We are authorized to announce that W. A. Hagerty, of Clearfield, will be a candidate for delegate to the Democratic National Convention, subject to the decision of the Democratic voters of the Twenty-first Congressional District, as expressed at the primaries, April 13th.

You can vote for but one delegate to the State convention. Vote for Goodhart.

Brother Crassey has a thing or two to say to Democrats. Read the article in this issue of the Reporter.

If you want to vote for Goodhart for State delegate you must either write his name on the ballot or use a "sticker."

When all is done it will be seen that the candidate to get there on the chairmanship question in old Centre must be a "runner."

Goodhart's throat is in fine condition; talking reorganization has improved it. His backbone is all right, too, and he won't take to either fishing or lying.

If you are a re-organizer, if you believe in the Democratic party in the state ought to be reorganized, help the movement along by voting for George L. Goodhart for delegate to the State convention.

Both the Keystone Gazette and the Bellefonte Republican are opposed to the election of former Commissioner George L. Goodhart for delegate to the Democratic state convention. Why? Because he could not be used in a battle with the Republican county of state rosters. Goodhart is a Democrat under all conditions.

A STATEMENT FROM MR. KIMPFORT.

Recital of incidents of the July, 1910, Meeting—His Action Then and Now Impelled by Overwhelming Sentiment for Reorganization in Centre County.

Editor Reporter:

There is a desperate effort being made by a few Democrats to defeat me for not taking orders from them at the meeting of the Democratic State Central Committee, at Harrisburg, last July. Before that, since and now, I was, and am a Democrat. Being chairman of the County Committee in 1910, I did what I could for the success of the party. Because of the Allentown throw-down nothing effective could be done; revolt so overtook the party that the tide could not be stayed. Immediately after the ignominious defeat of 1910 all good Democrats, those who had revolted, as well as those who had not, demanded a reorganization of the party. All admitted that this was absolutely necessary. In April of 1911 some preliminary work was done.

The annual meeting was held in July, 1911. By virtue of my position as chairman I represented Centre county at that meeting. Weeks before that meeting, by personal interview, by inquiry by letters, through the press and in every way possible, I tried to ascertain what the Democrats of county desired me to do. The sentiment in favor of re-organization, and the desire to have me support the men leading the movement, was overwhelming.

When I went to Harrisburg I was threatened if I did not vote for and stand by the old organization. They were all positively declaring that they wanted re-organization, but they wanted the same men to head the party then that threw it down at Allentown. This the Democrats of Centre county did not want.

The same men who threatened me at Harrisburg are traveling over the county telling all kinds of tales about me and trying to accomplish his defeat.

I acted honestly in the interests of the party, doing as I did last July. The fact that the whole Democratic ticket was elected by good majorities in 1911, is the best evidence that the Democrats approved my action.

I will, therefore, if elected chairman, recognize and act with the men led by the Hon. George W. Guthrie so long as I am convinced that by doing so I am representing the will of the majority of the Democratic voters of the county. I assure you that whatever action was taken was with the intention of promoting the interest and welfare of the Democracy and from no personal or selfish motive.

Very truly,  
A. B. KIMPFORT.
