**LOCALS.**

Mrs. Flora O. Barfoot is suffering greatly from poison on one of her arms.  
Rev. F. W. Barry, Monday, went to Hartleton to visit his father and mother.  
John Homan loaded a car of Timothy hay on Monday for which he received \$24.50 per ton.  
Cultivators and corn planters, the best machines the market affords—Webers, Centre Hall and Oak Hill.  
W. Scott Wieland has changed his place of residence from Williamsport to Nordmont, where he has a summer home.  
Charles Decker is now located in East Downingtown where he has opened a meat market and grocery store.  
Bruce Hagen, of Farmers Mills, on Monday went to Lancaster and is now a student at Lancaster Business College.  
Lots of 'em were up early on Monday morning looking for worms, and toward evening some of them looked as though they had 'em.  
Miss Anna Grova was a witness in the McClenahan damage suit heard at Harrisburg, last week, not mentioned in the last issue of the Reporter.  
Rev. Harry W. Buck, Jr., who was assigned a pastorate at Millin at the last United Evangelical conference, is at the home of his sister, Mrs. F. P. Geary in Centre Hall.

Prof. D. B. Kraybill, principal of the West Lampeter Township High School, Lancaster county, advises that he will open a select school at Tusseyville, beginning April 22.  
M. L. Rishel, one of Gregg township's most prominent citizens, is seriously ill from an affection of the liver. He has been ill for several weeks.  
John A. Camp, of Milroy, was nominated for the Legislature by the Millin county Democrats, and George K. McClintic, of Lewistown, a republican, was elected a state delegate. Jerome T. Allman was nominated for state senate without opposition.  
Mrs. Alfred Durst is quite ill, having been confined to bed for ten days or two weeks. She suffered a light stroke of paralysis. Her daughters, Mrs. Goodhart, of Johnston; Mrs. Deitzel, of Pleasant Unity; and Mrs. Keiler, of Centre Hall, are at her bedside.  
The building lots on Main street in Centre Hall are nearly all occupied, and this fact is leading C. D. Bartholomew to seriously consider the opening of the street leading by the "Bogan House" to the east. "If this street were opened it would make available a number of choice lots well located."  
Mr. and Mrs. Walter Gondor and children are now located with the farmer's mother, Mrs. William Colyer, in Centre Hall. Mr. Gondor is a railroad engineer, and is employed by the Pennsy and heretofore lived at Wall. He will continue his runs on the engine at least until fall, but the family will stay in Centre Hall.

The residence of Isaac Loveland, as well as the stable and outbuildings; and the residence, stable and outbuildings belonging to Mrs. K. V. Dunbar, at Lamar, were totally destroyed by fire at two o'clock Saturday morning. The Methodist church and the dwelling house of Michael Grenoble were greatly endangered, but were saved by a bucket brigade. It is thought the fire was started in the Loveland stables by partially burned leaves blowing into it from a smoldering fire in a rubbish pile. Both parties who had losses carried \$1000 insurance.  
At its last meeting the Centre Hall borough council decided to give a portion of Main street a dressing of crushed lime stone. Unless their plans are changed the stone will be put on the street without first removing the gravel-loam hauled out last summer. This, in the opinion of many citizens including the writer, would be an error—the money would be spent and no good results obtained. The Reporter has no desire to argue the case here, but it believes it is just as correct in its conclusion that it would be as great a mistake to top-dress the gravel-loam as it was when it stated unqualifiedly that the gravel-loam was unsuited for road building and should not be used.

**LETTERS FROM SUBSCRIBERS.**

Reporter Subscribers' Correspondent Column—Interesting Communications.  
LEWISTOWN, Pa., April 19, 1912  
Dear Editor Reporter:  
Please change my address from Burnham to Lewistown. I bought a farm close to the second farm I sold. I bought the farm on the 6th and moved onto it two days later. The place is located one and one-half miles from Lewistown and contains one hundred and ten acres, and \$2800 was paid for it. I have already been offered \$3500. I expect to keep this place, set it to small fruit, and engage in trucking and growing poultry. With the good market right at our door, I think the chances for success are very flattering.  
C. A. BUTTORFF.

Rev. J. M. Bearick, formerly Lutheran pastor at this place, but now located at Williamsburg, in forwarding a remittance to the Reporter, says this: "We continue our interest in Penns Valley and must have the news weekly. Williamsburg is 'dry' for another year. The work is progressing nicely."

Dr. Howard's Dyspepsia Specific; Regular Price 50c, Murray & Bitner Price 25c.  
The special half price sale of Dr. Howard's specific for the cure of constipation and dyspepsia by Murray & Bitner means the saving of a few dollars on every family's yearly bill for medicines.  
Each 50 cent bottle (Murray & Bitner sell it for 25c) contains sixty doses of a medicine that is pleasant to take and which can be depended upon to cure the worst case of constipation, dyspepsia or liver trouble.  
If you are troubled with constipation, headache or dizziness, or if your food does not digest naturally and easily, you cannot afford to let pass the special price that Murray & Bitner are making this week on Dr. Howard's specific.  
Murray & Bitner are giving their customers a chance to try Dr. Howard's specific for the cure of constipation and dyspepsia at just half the regular price, 25c. And every package is sold under their personal guarantee to refund money if it is not satisfactory.  
Under the new school code school boards will not need to exonerate from paying school tax, and if they do so they may be called on to make up the loss from their private funds. The new law provides that the school tax may be collected from the employers of male taxables. The item of "exonerations" has no place on the school board's financial report.
