Free Freight.

Every railway carries more or less freight for its own use, and therefore without pay, and in some countries both freight and passengers are occasionally carried free on governmental or other account. As such gratuitous service does not increase the monetary receipts, it is ordinarily omitted from the companies' earnings. The term "revenue train miles per mile of line" indicates the train density of trains that have added to the earnings .- New

Stimulate Children?

Ask your doctor how often he prescribes an alcoholic stimulant for children. He will probably say, "Very, very rarely." Ask him how say and therefore willingly withdraw often he prescribes a tonic for them. He will probably answer, "Very, very frequently." Then ask him about Ayer's Sarsaparilla as a strong and safe tonic for the young. Not a drop of alcohol in it.

Always keep a box of Ayer's Pills in the house. Just one pill at bedtime, now and then, will ward off many an attack of iliousness, indigestion, sick-headache. How many years has your doctor known these pills? Ask him all about them.
