RECORD OF A GREAT MEDICINE

Doctors Could Not Help Mrs. Templeton-Regained Health through Lydia E. Pinkham's Compound.

Hooper, Nebraska. - "I am very glad Compound has helped me. For five years promising in recent years. I suffered from female troubles so I was scarcely able to do my work. I took doctors' medicines and used local treatments but was not helped. I had such awful bearing down pains and my back was so weak I could hardly walk and could not ride. I often had to sit up nights to sleep and my friends thought I could not live long. At my request my husband got me a bottle of Lydia E. Pinkham's Vegetable Compound and I commenced to take it. By the time I had taken the seventh bottle my health had returned and I began doing my washing and was a well woman. At one time for three weeks I did all the work for eighteen boarders with no signs of my old trouble returning. Many have taken your medicine after seeing what it did for me. I would not take \$1000 and be where I was. You have my permission to use my name if it will aid anyone."-Mrs. SUSIE TEM-PLETON, Hooper, Nebraska.

ThePinkham record is a proud and peertory over the obstinate ills of woman-ills that deal out despair.

It is an established fact that Lydia E. Pinkham's Vegetable Compound has restored health to thousands of such suffer- (ing women. Why don't you try it if you 10ALL OVER THE STATE Notes That Are of Interest to
