John Smith, of Lamar, Clinton county has a baby fawn, fifteen inches in height and two weeks old, which was discovered by a state forester. The little fawn has become the pet of Lamar and is fed with milk from a bottle. Those who have the deer in charge say it made a very apt student in this method of feeding. It has become so tame that it follows children about the yard like a little puppy, and the youngsters of that village say it is a regular "penny dog."

The farm barn at Rhonemeds has been remodeled on the interior. The structure was built many years ago, and like all barns built then, the mows were "logged up," making a very substantial but somewhat inconvenient barn. The heavy logs were removed, and framework supplied, and now the barn has every appearance and convenience of one of modern construction. The work was done by John D. Lucas and a number of assistants. Later it is intended to improve the barn on the exterior.

Special Half Price Brings Many Patrons to Murray & Bittner.

The people of Centre Hall and vicinity appreciate the great advantage Murray & Bittner obtained for them, in getting the Dr. Howard Co. to allow the regular 50 cent size of Dr. Howard's specific, for the cure of constipation and dyspepsia, to be sold at half price, 25 cents, and have bought hundreds of bottles.

Unlike ordinary medicines for constipation and dyspepsia, the dose of Dr. Howard's specific is reduced after a few day's use, and the cure is soon complete and lasting.

If you have not already taken advantage of this chance to get a month's medical treatment for 25 cents, be sure to call at Murray & Bittner today, for they have only a small amount of the specific on hand.
