

**DEATHS**

John M. Hinkson, an aged and highly respected citizen of Lock Haven, died in the hospital in that city on Friday morning, of an affection of the kidneys, after an illness of several months, although he was able to be around until two weeks ago.

Mr. Hinkson was born in Haines township, this county, September 23, 1834, and he was therefore in his 79th year. He went to Lock Haven forty-five years ago, and followed the occupation of a millwright until about three years ago, when advancing age compelled him to retire. He was the oldest Old Fellow in that city, having united with the order more than fifty years ago.

Deceased is survived by two sons, Elmer E. and Sidney, one sister, Miss Mary, of Mackeyville, and one brother, Henry, of Lincoln county, Kansas.

Funeral services were conducted at the home of deceased's son, E. E. Hinkson, by Rev. E. Crumbling, after which the remains were taken to Beech Creek for burial.

Mrs. Cleveland Brungart, of Philadelphia, died at a hospital in that city on Saturday morning. The remains were shipped to Coburn, and from there conveyed to the home of the deceased's father, D. B. Weaver, from which place the funeral was held Wednesday morning, interment being made at Rebersburg, the officiating minister being Rev. Stauffer.

Mrs. Linnie Brungart is survived by her husband, and a babe nine weeks old, also her father named above and four brothers and one sister, namely: C. D. Weaver, Wolfs Store; A. P. Weaver, West Brownsville; C. T. Weaver, Wolfs Store; O. W. Weaver, Dekalb, Illinois; and Mrs. Grace Meyer, Big Rock, Illinois. She was aged thirty-two years, and had lived in Philadelphia for about four years.

James H. McClintick died at his home in Lock Haven on Friday morning from the effects of a stroke of paralysis. He was aged fifty-four years.

Mr. McClintick was a son of the late John McClintick, of Potter township, and at his old home near Centre Hill he will be better recalled as "Hutch" McClintick. He was employed in the paper mill at Lock Haven. He is survived by a wife, two sons and three daughters; also these brothers: Charles, Hartleton; Mortimer, Lock Haven; John Alexander, Yeagertown; and these sisters: Mrs. Thomas Wherry, Yeagertown; Mrs. Thomas Watson, Pittsburg; and Anna, also married, in Reading.

The deceased is a cousin of Samuel J. McClintick, of near Potters Mills.

James M. Mowery died in Bellefonte at the home of Anthony Noll, Thursday evening of last week. He had been at the hospital to be treated for tuberculosis, but it was found that he could not be helped, as the disease had too firm a hold on him. He was aged fifty-seven years. Interment was made at Centre Hall, the funeral having been held from the home of a son, west of town, on Monday forenoon.

He is survived by a wife, whose maiden name was Carter, a son and daughter, namely, J. W. Mowery, from whose home he was buried, and Mrs. Charles Hall, of Charleroi. Jerry and Robert Smith, of Centre Hall, are half-brothers, and Miss Lizzy's Kruse, of Patton, is a half-sister of the deceased.

John Charles Hayes died in a Pittsburg hospital, aged forty-eight years. He was well known in Centre county. Dr. R. G. H. Hayes, of Bellefonte, is a brother, and Mrs. Oswig, of Harrisburg, and Mrs. Reish, of Millburg, are sisters of the deceased. Interment was made at Millburg.

Rev. Samuel W. Seibert, a prominent minister in the United Evangelical church, died in Newport. Interment was made at Elysburg. Dr. J. L. Seibert, of Bellefonte, is a son of the deceased.

There is erected on the farm a two-story double frame dwelling house, 28x44 feet, new look, 45x72 feet, and all the necessary outbuildings, all in good repair. There is an orchard on the farm consisting about one hundred apple trees, and other small fruit. A spring of limestone water is on the place and the water piped to both house and barn.

The farm is adapted for either dairying or farming purposes, and the location and soil are almost equal to any in Penna. or Irish Valley, and is in a good state of cultivation. It is situated about three-fourths of a mile south of Penna. Cave, and two and one-half miles northwest of Spring Mills, the latter being the nearest railroad station, and one-half mile northwest of Farmers Mills, and within sight of two churches and one public school building, besides other conveniences. There is now on the farm five acres of alfalfa and other parts of it are adapted to its growth.

**Your farm work will be easier if you use good implements**

Make your work on the farm easier by using machinery that works well under all conditions, thus eliminating all the worry which comes from using inferior implements. We handle only the best line of machinery it is possible to buy. Nothing is purchased by us until we are satisfied it will meet the exacting demands of the farmer, who is ever on the lookout for any implement which will save time and labor, better prepare the soil, and better harvest the crop.

**The most needed farm implement right now--  
Albright Riding Cultivator**

This Spring Tooth Riding Cultivator is beyond a doubt the most durable, convenient and efficient Riding Cultivator made. The design of the machine employs all the latest improvements. It has improved pivoted extension spindles which give the easiest operation possible, open tongue, separate hoisting levers to raise and lower the gangs which can also be set to use but one lever, spring connection for applying pressure on the gangs, lever for adjusting the space between the gangs, lever to guide the machine while the operator walks, etc.

These Cultivators are well painted, striped and varnished and will please the most critical buyer.

**IT'S NOT TOO EARLY TO PREPARE FOR THE HAYING SEASON  
The "Lancaster" Side-Delivery Hay Rake**  
is a true friend of the farmer with the heavy hay crop.

The "Lancaster" gathers up the hay in a continuous, loose and fluffy windrow, which allows the wind to pass through freely.

Note its simple construction, strength is one of its chief qualities. All gears are protected and long timothy is delivered clean instead of becoming wrapped in the gearing as is the case with other machines. It rakes the shortest blue grass as well as the heaviest clover and timothy.

More farmers are purchasing the Lancaster every year, which means more satisfied farmers.

**The "Gearless" Hay Loader**  
Cleans up the hay field in short order

Its name describes it—it is gearless, and has no gears to break, clog up, chains and sprockets to break, run off and cause no end of trouble. The long easy stroke delivers the hay whether heavy or light, on the wagon in better shape without chewing it up, without tearing off the lever or without threshing out the seed as other loaders do.

The GEARLESS Hay Loader is not the cheapest hay loader you can buy but it is the best one. They are worth more than is asked for them.

The GEARLESS does its own loading. It pushes the hay well up onto the wagon; it does not need a watchman to keep it from clogging. The Gearless is sold on its merits, because it never fails to perform the work it is sold to do. The Gearless will pick up and load windrows and haycock which other machines cannot handle.

**JOHNSTON MOWER.** Make sure of a perfect cutting of grass this summer by using a Johnston Mower on your hay crop. We are well acquainted with all makes of mowers and think the Johnston the best investment. Ask us more about it.

We have described only a few machines here, but we have on hand many more. Our business is to serve the farmer, and serve him well. If you are interested, see us.
